OBKF is a 501(c)3 not-for-profit grassroots organization founded in 1987. All funds raised by OBKF go to support programs and organizations that offer direct services to people living with HIV/AIDS, their families and loved ones. Comprised of volunteers, the Foundation is incorporated with the New York State Department of State. Our administrative costs are primarily limited to printing and postage expenses. The Foundation raises money by sponsoring social events, accepting voluntary contributions, and memorials. Our Annual Report can be viewed on our website at www.obkf.org
