Catering

Gourmet Oriental Catering provides a "hands on" London catering service run by the proprietors, along with our retail takeaway delivery service.. Our goal is to provide imaginative catering of Oriental cuisine of the highest possible standard using only the best quality ingredients. We are equally adept at providing a caterers service ranging from freshly made Oriental Tapas platters to Thai Cuisine luncheons. Being an experienced catering company well established in catering to Embassies, Media companies, and others within the "Square Mile" we are more flexible and are able to meet most challenges demanded of us. This includes working evenings, weekends and bank holidays - The most popular time are our famous Dim Sum. All our London catering supplies are GM free. All chicken and eggs are free range. Pork is outdoor reared. our Prawns and Crayfish are fresh - never frozen. Gourmet Oriental operates a policy of due diligence where hygiene is concerned. This requires staff to be aware of hazard points during the stages of food receipt, preparation, storage and delivery...
