

## Introduction

Prophesies of a Golden Time, Gods Kingdom on earth, exists in many religions.

Judaism is waiting for Messiah.

In Thy Father in Christianity it says: Thy Kingdom come, Thy will be done on earth as it is in Heaven.

Christianity is waiting for the second coming of Christ.

Many people, especially young people, have a feeling that it goes towards the End of Mankind.

Bahauallah declared himself Prophet of God in 1864.

He is the Founder of the Bahai-Faith.

## The Bahai Faith

The Bahai-Faith arose in Iran, Persia around 1860.

The main administration is in Haifa, Israel. It has members on all continents.

The vision of the Bahai Faith is the unity of mankind.

A time with peace on earth. Essiah: the lamb shall grass with the lion.

The national states gradually growing into a federation of all nations.

First on the regional level. EU is the continent who have gone farthest in political unity. With a parliament, a commission, and the national states giving away a littli of its sovereignty. To the whole.

One of the ideas behind the EU, was to prevent war. After two world-wars in Europe, people were weary of war, and there was a consciousness growing, a consciousness that wanted to end all wars.

The establishing of the EU, has led to more than twenty years of peace.

There are other regional organizations. ASEAN, OAS, who favour co-operation between states. Negotiations and an International Court of Law can solve conflicts instead of wars.

Prosperity for all. With globalization abolishment of poverty have become a common goal.

Everybody should have the right and possibility for education.

All religions spring from the same source, from God, the same God, whether his name is Allah, Brahma or God.

The Bahai vision see mankind united in one common religion.

Barriers between race, class and gender are to be removed.

Bahauallah

But Bahauallah fell. He fell from light to darkness.

He was tempted by the power in the Bahai Faith, the power to rule the world.

He lost contact with god.

He started to falsify the revelation, the Word of God.

Gods war against darkness.

God has decided to destroy the Bahai vision. The vision of peace on earth, and the unity of mankind. The vision of Gods Kingdom on earth.

The process of globalization will probably come to a halt.

Mankind will not be unified in one religion.

A destruction that probably will last for hundred of years.

He will destroy the dominion of Bahauallah. The Bahai Faith now seems to destroy itself.

Bahauallah shall be extinguished.
