

THE LAST ONE!

they cancelled my favorite cartoon and that "chino" guy beat me at beer pong. I have to do something to prove myself to everybody!

just cuz karols boyfriend beat you at beer pong?

its not just the beer pong game I also have to get "young justice" back on tv!

you've been saying that at every kickback and show we get drunk at for the last year.

cant you just enjoy the party and everybody we have left to hang out with while we still can? chances are we wont ALL be at these parties forever. I mean jorge never shows up anymore-

thats not what I was saying chris.

I'm gonna go drink with someone else.

YOU'RE RIGHT ABBY I'M GONNA GO PROTEST AT CARTOON NETWORKS BUILDING TOMORROW!

Idiot.

GREAT I'M GONNA GO HOME AND GET READY FOR MY PROTEST!

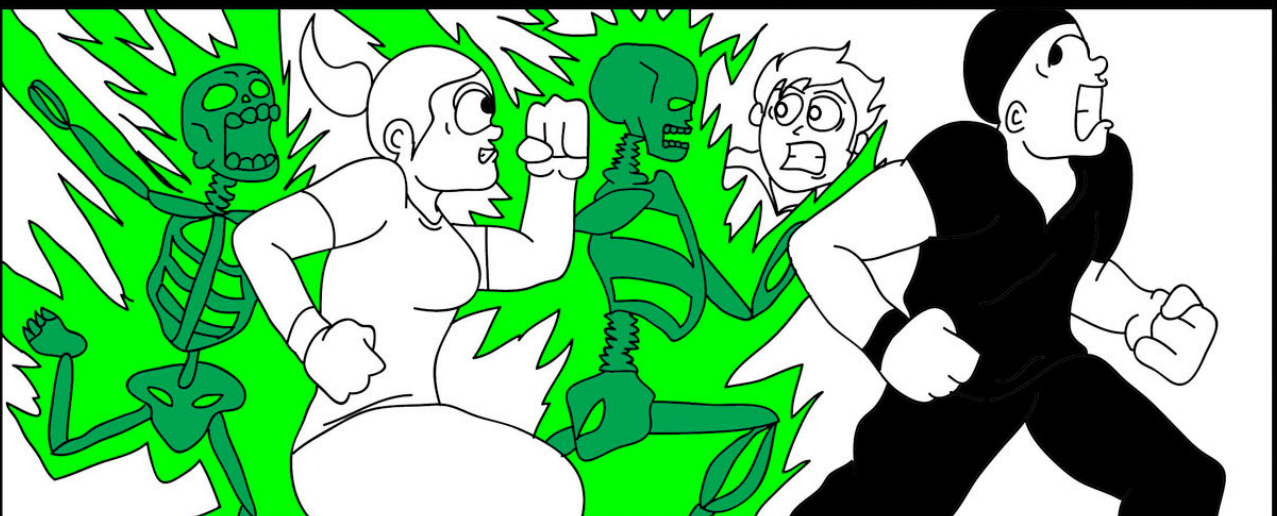

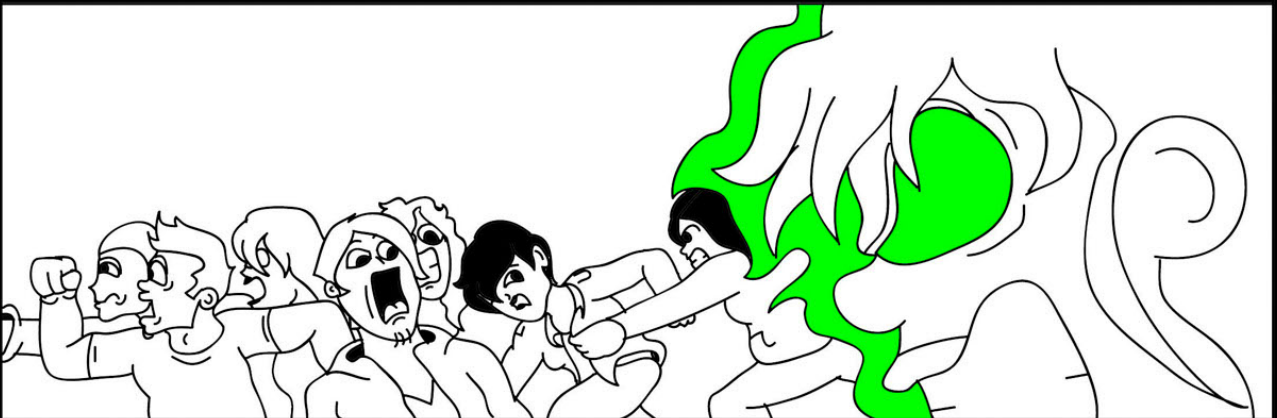

this party better get interesting soon.

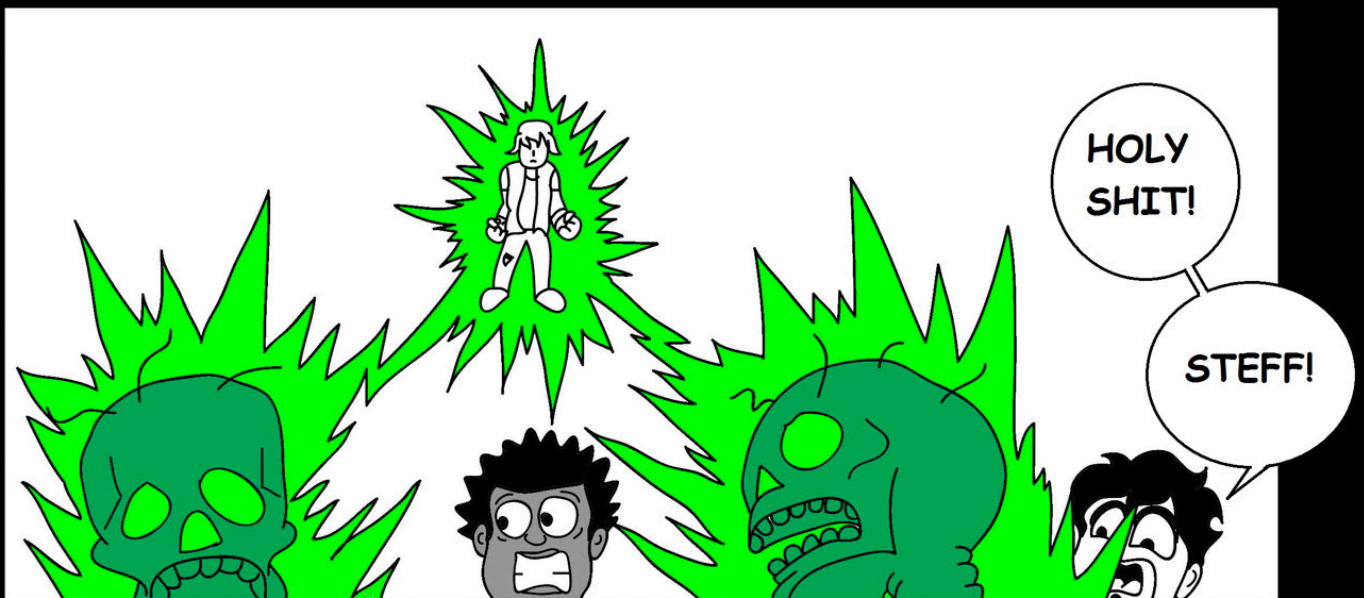

an hour later...

AHHHHHHHHHH!!!!

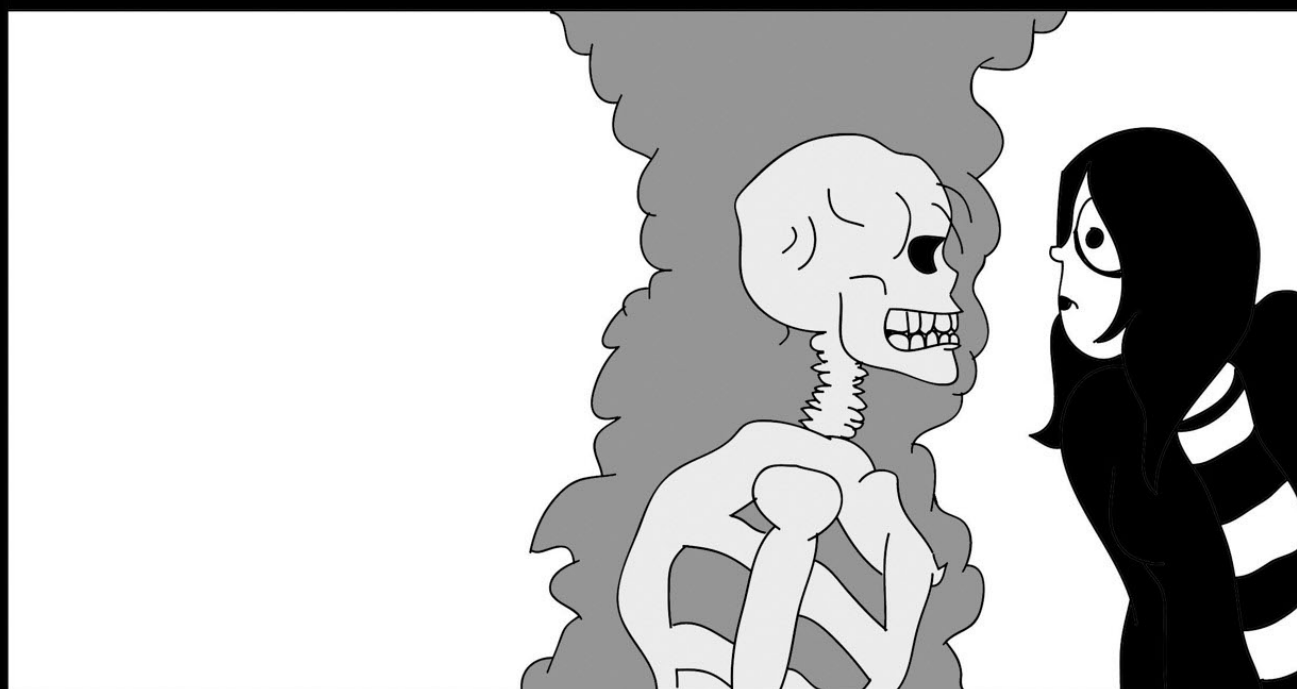

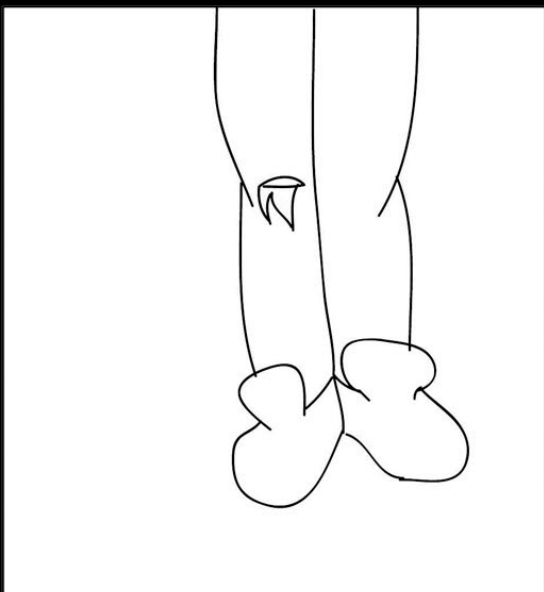

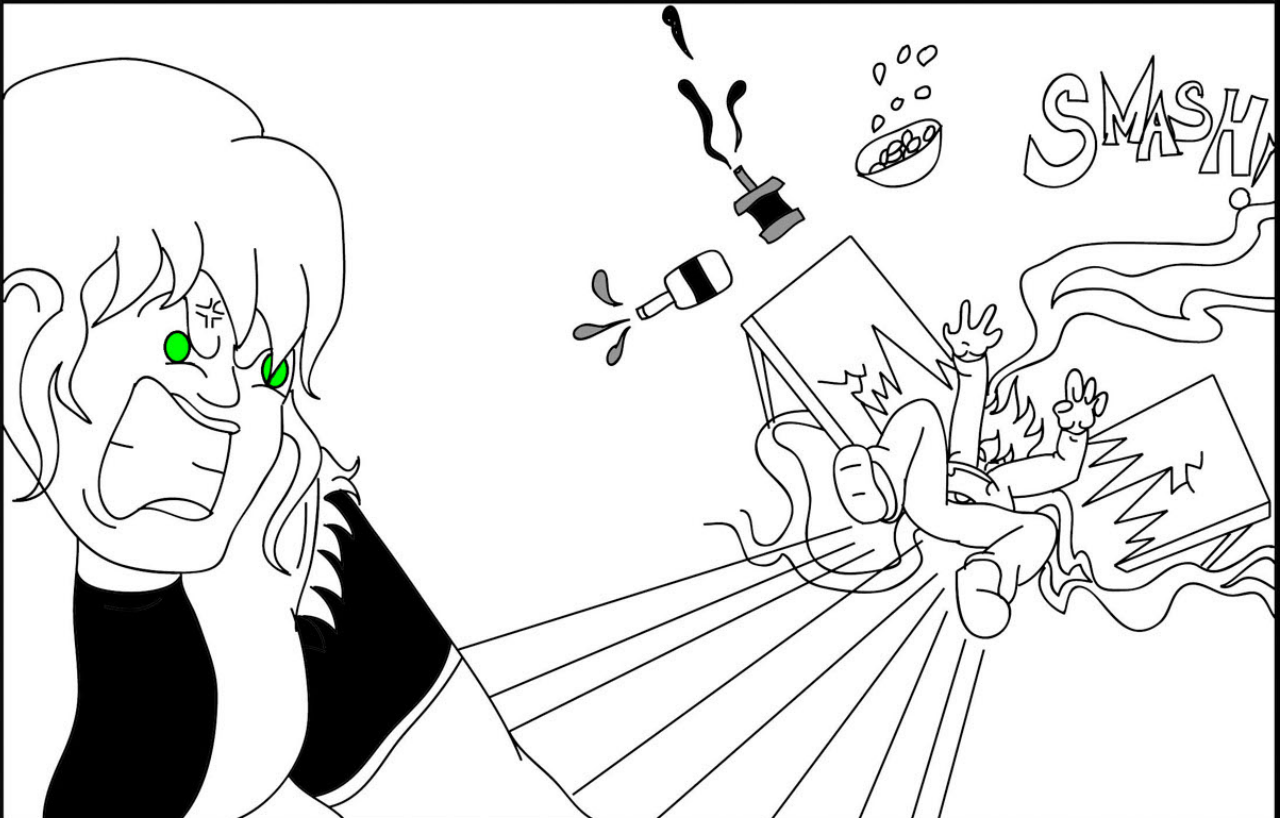

CHAPTER TWO:

**"The middle
of the last
one!"**

And now back to:
ABC 7 EYEWITNESS
NEWS!

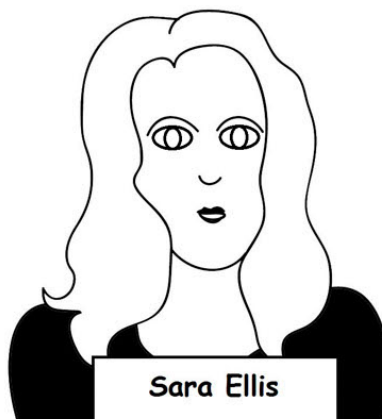

EYEWITNESS NEWS!

alright welcome back
I'm Oz Mariano and
we are continuing todays
top story with our own
Sara Ellis, Sara?

Oz Mariano

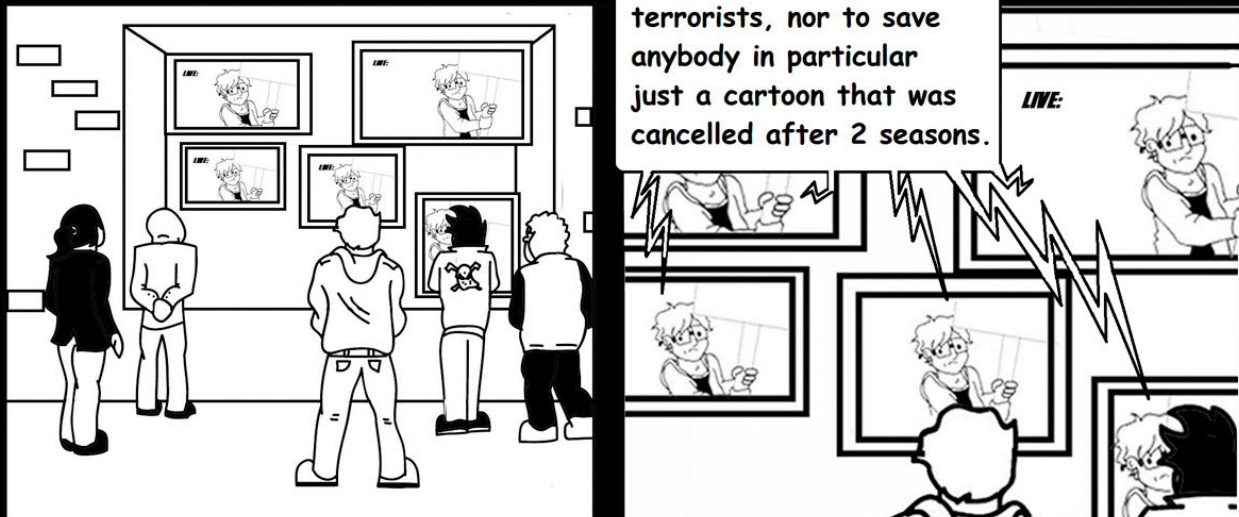

Sara Ellis

Thank you Oz and it seems
that the protester occupying
Cartoon Network Studios is
named Christopher EvelynTorres
an unemployed slightly disgusting
22 year old male from someplace
called "Omicron persei 8".

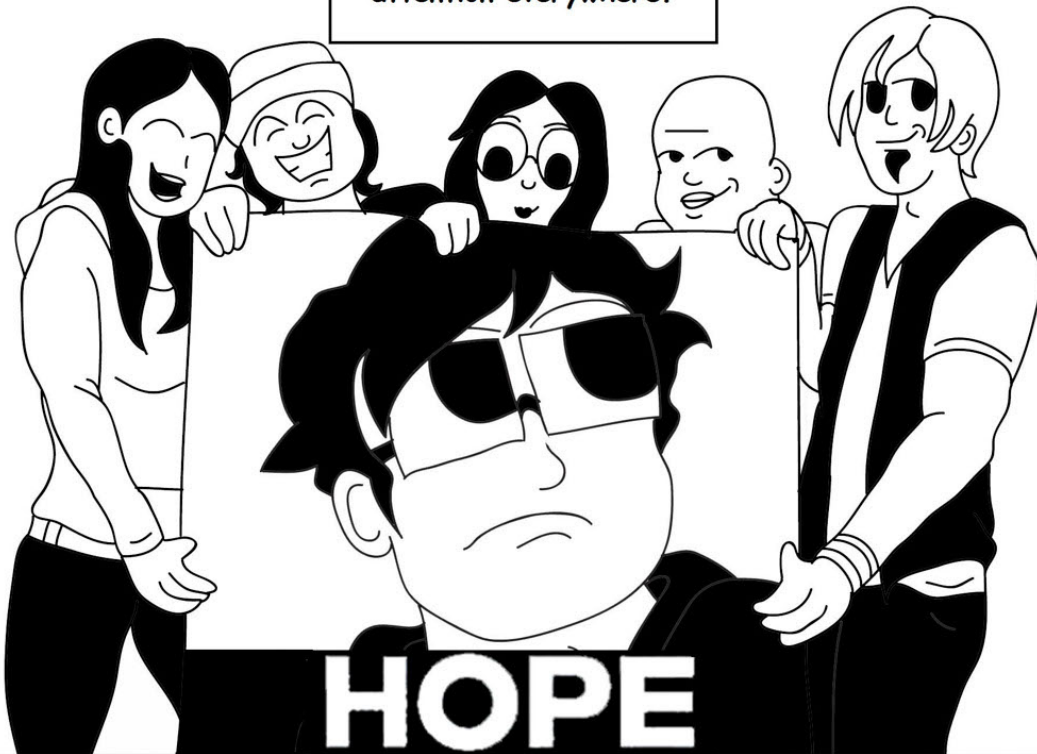

EVELYN?

we are of course
basing all this on
the information
provided on his
Facebook page.

The young mans actions
have captured other
"young justice" fans
attention everywhere.

including those in
the higher office.

I was a fan of this
show once myself and
I am a fan of this
young man now.

I am postponing any
attempts at fixing
the economy until
this kid gets a meeting
with the cartoon network
CEO.

But what do people
who know him think
about this situation?

why are you
interviewing
me?

Jeff Ballinger-
chris' former gym
teacher.

and we of course got
some startling info
from his own family.

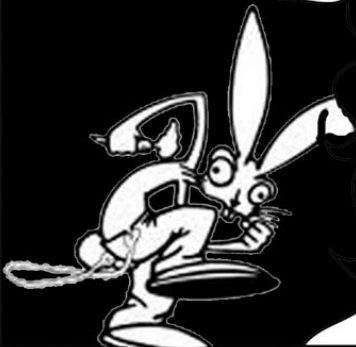

agreed.

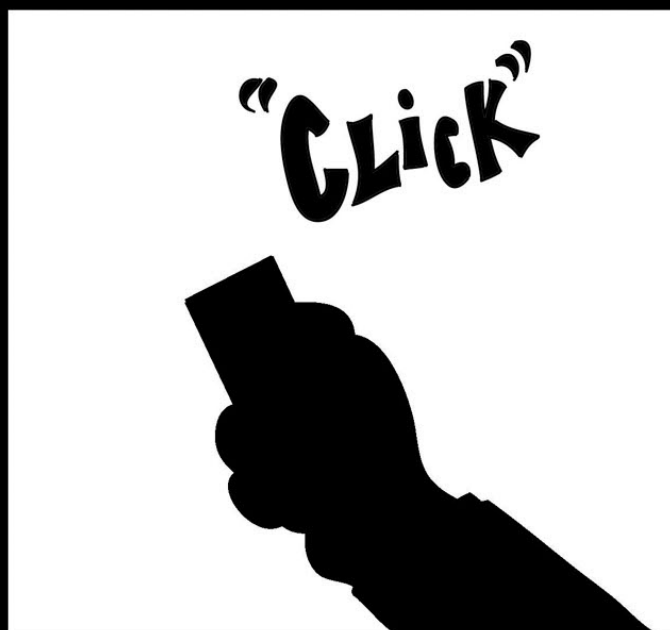

agreed.

my brother's
a moron.

pretty much.

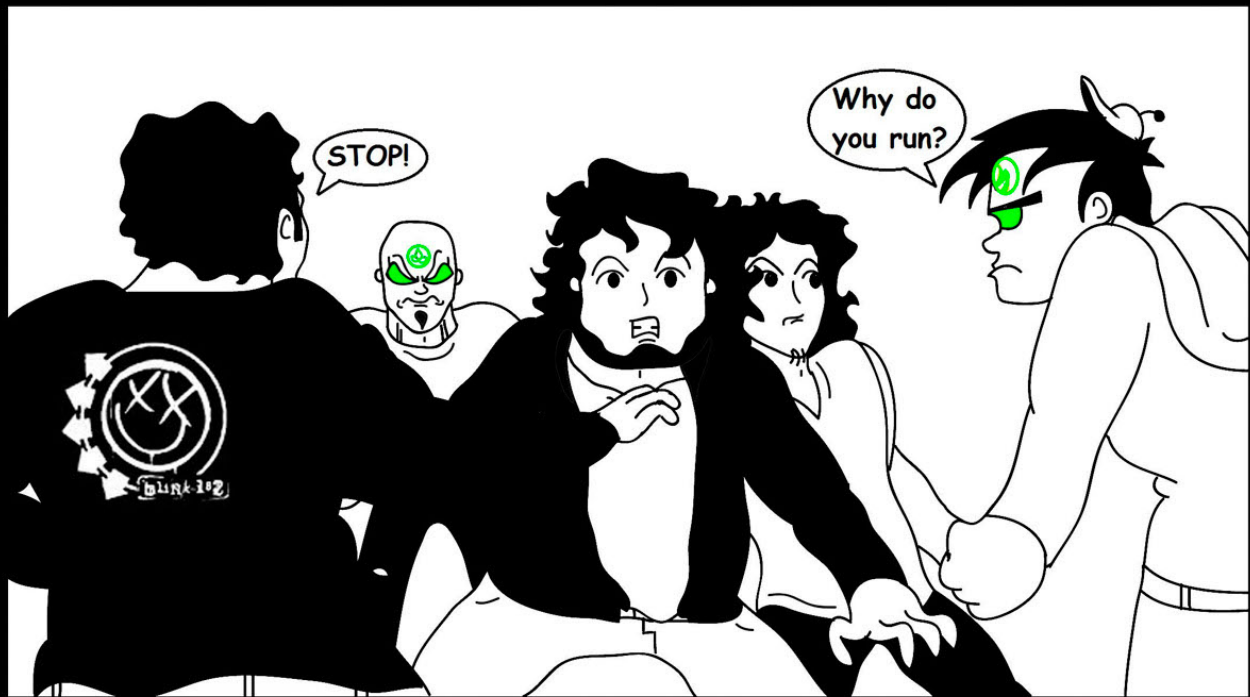

Torres family.

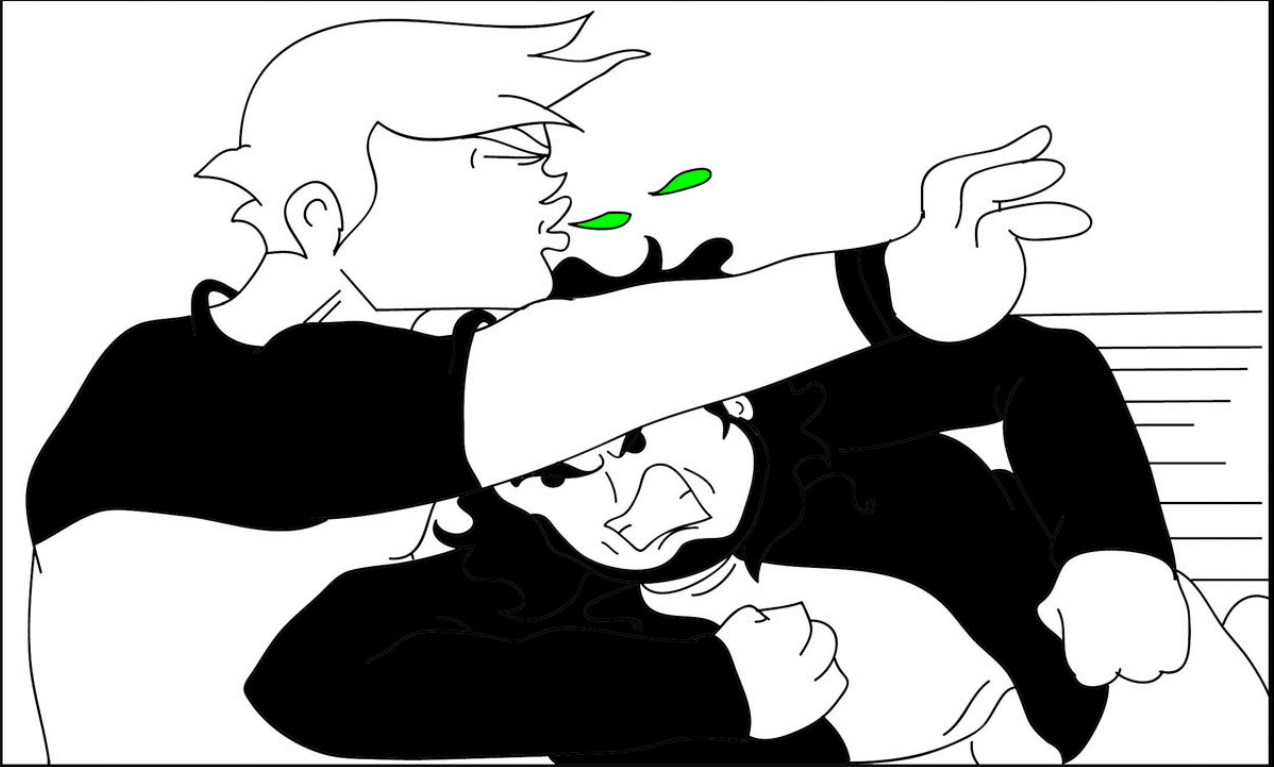

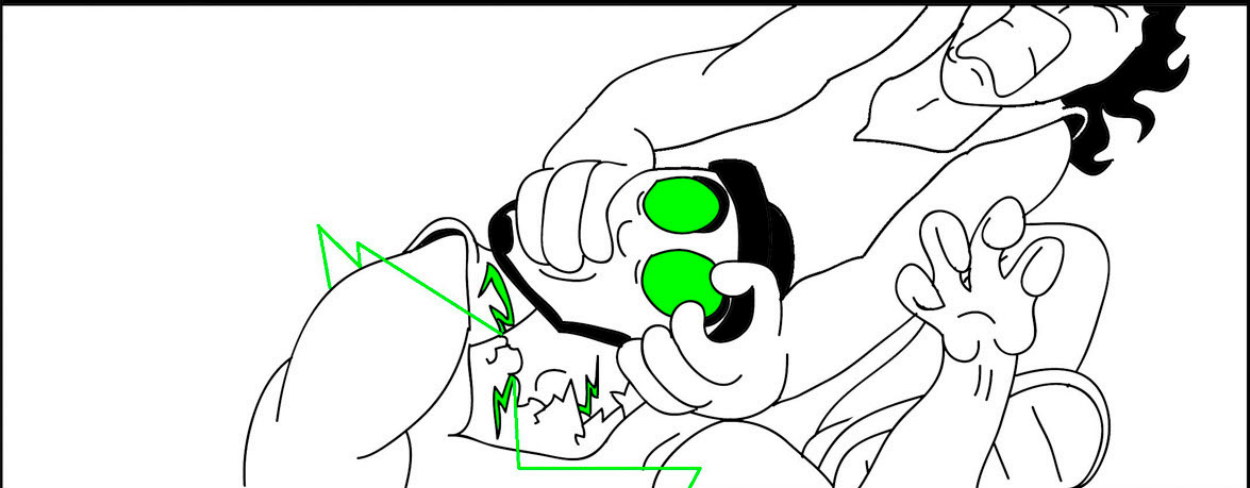

MEANWHILE...

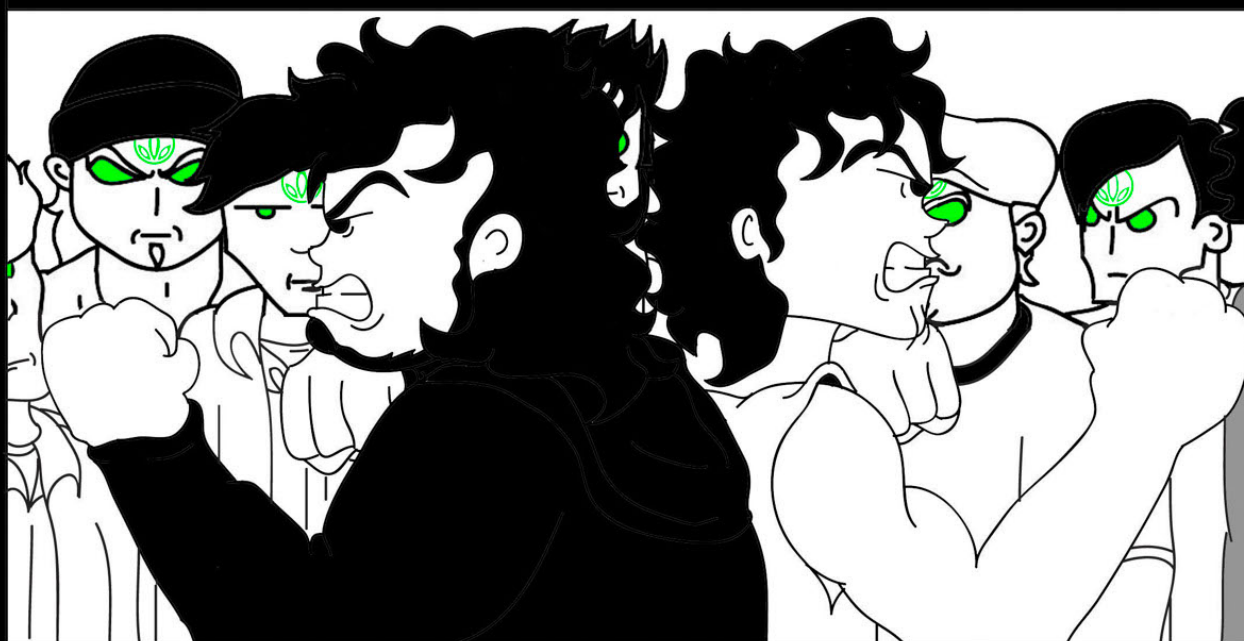

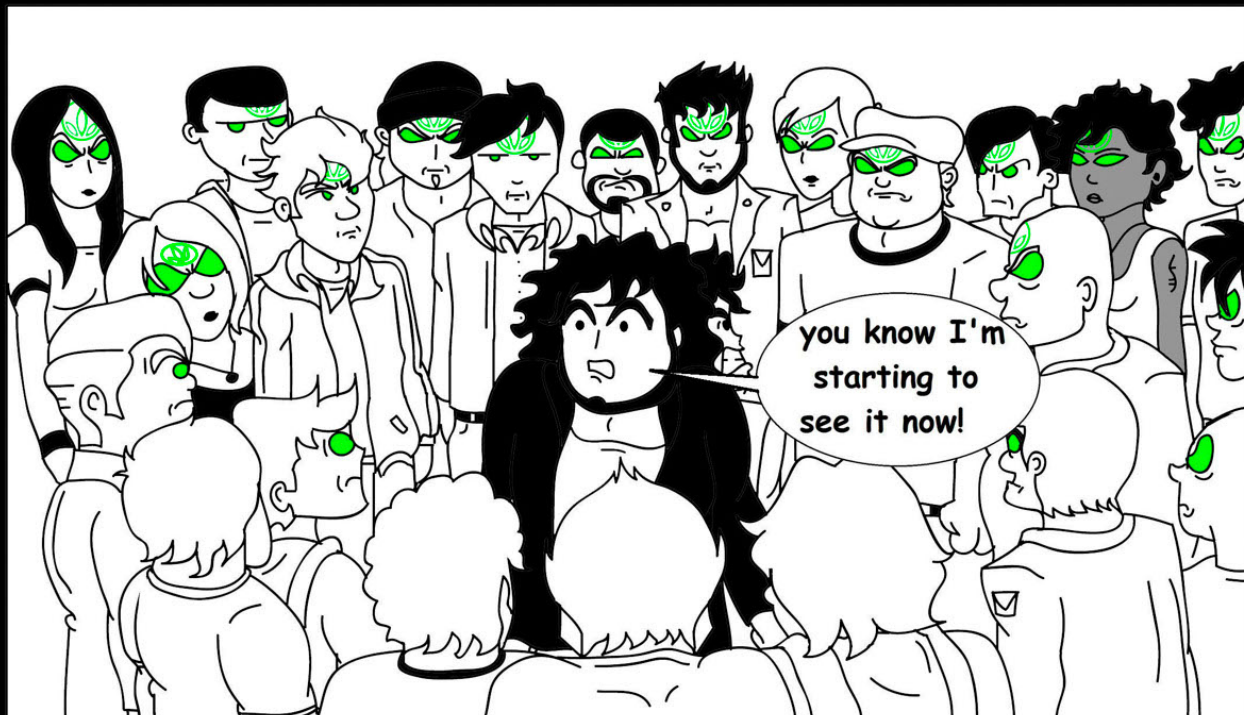

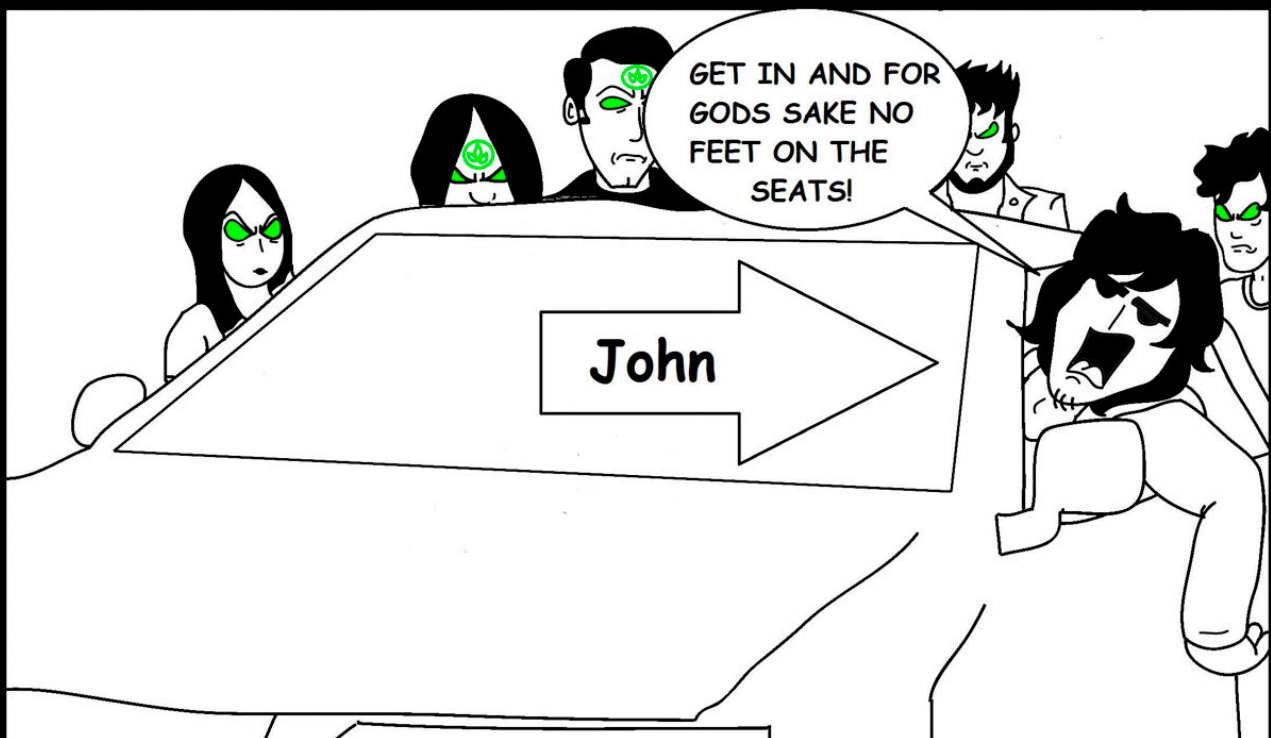

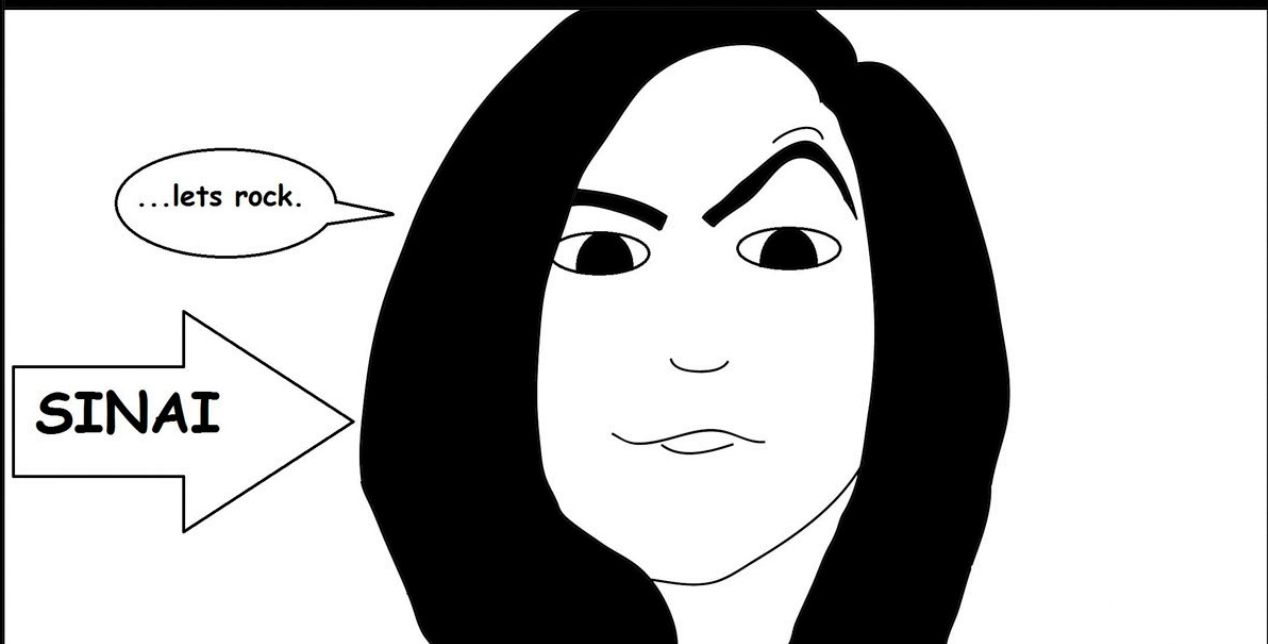

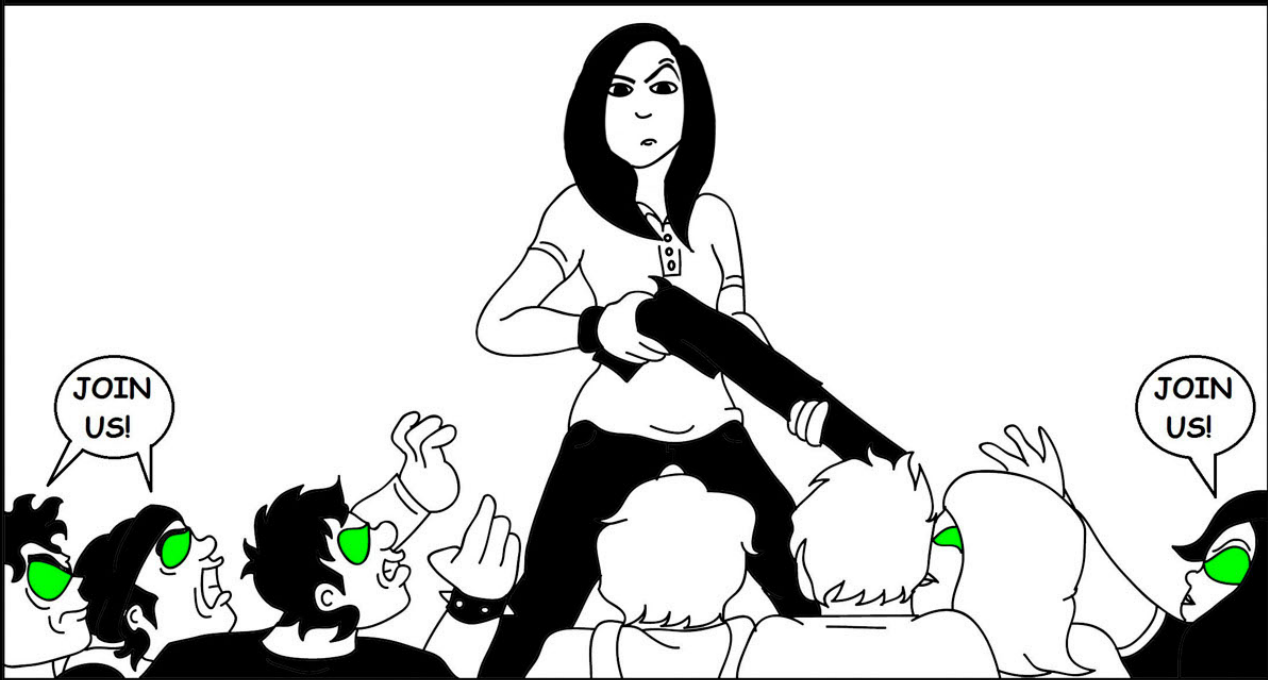

Meanwhile...

we're gonna take
down "HERBALIFE".

FRANK

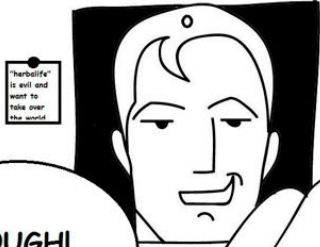

Dude we barely got away from the robots last time and now you want us to go fight the people who created them?!

I know it sounds crazy but i think between all of us we have a shot at finally getting rid of that stupid company and the robots!

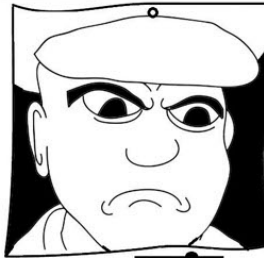

I dont know about this frank. I mean how do we know there isnt a robot in here right now?

FUCK YOU JOHN!
ONLY ROBOTS
DONT LET THEIR
FRIENDS PUT
THEIR FEET ON
THEIR CAR SEATS!

"Herbalife" is evil and want to take over the world.

If you are reading this you have no life.

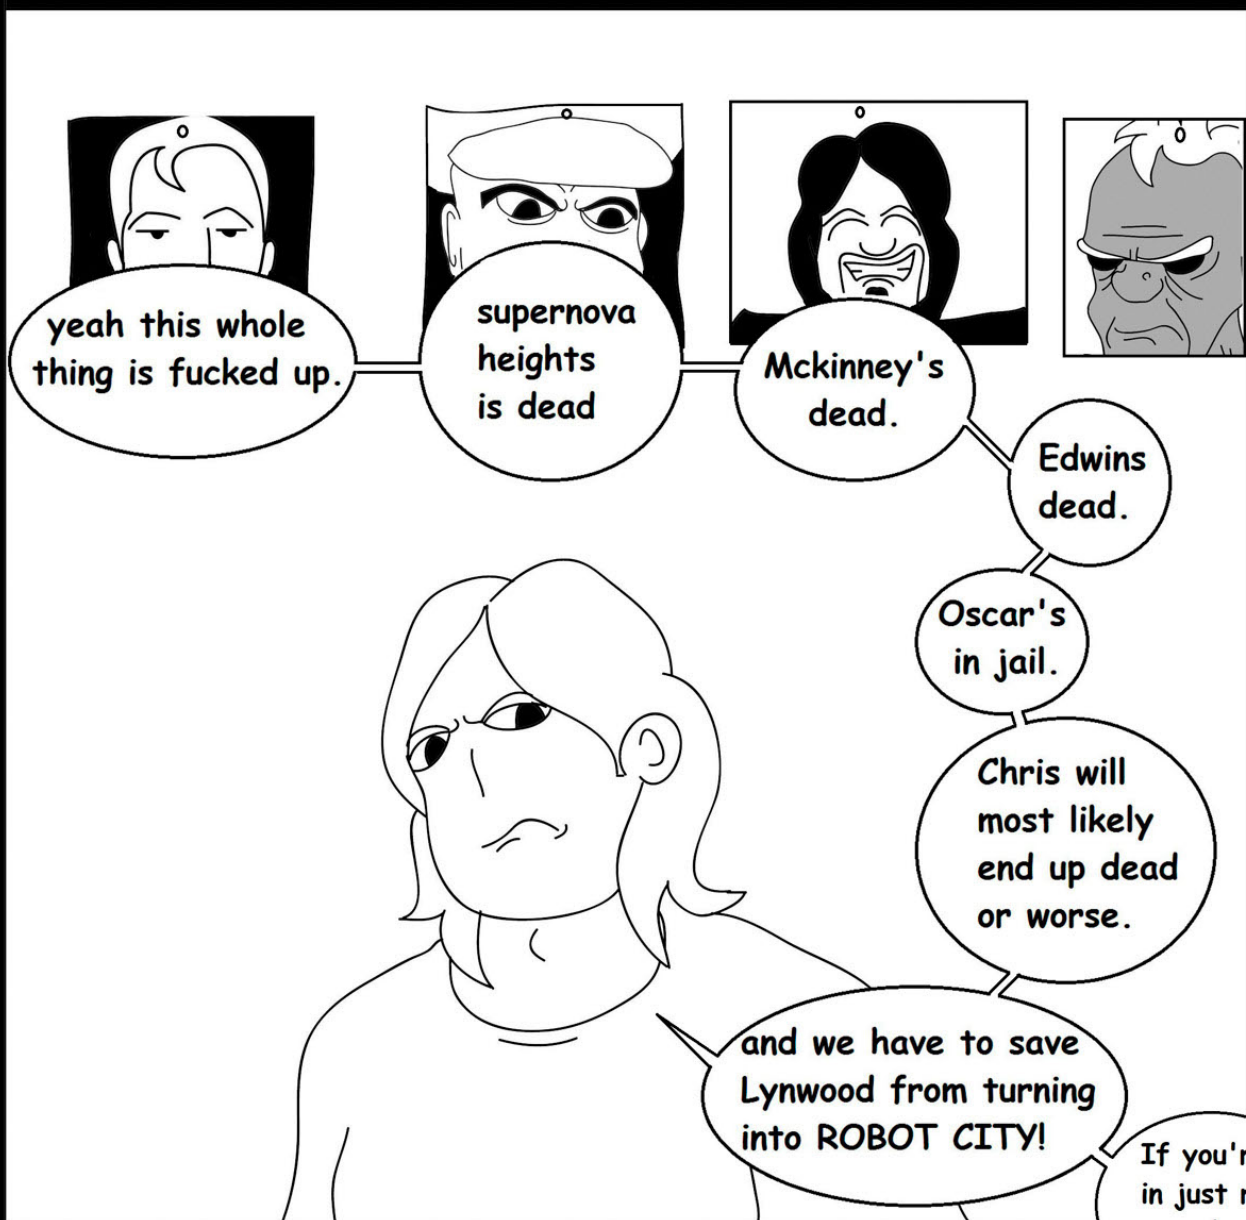

robots are the ones who brought "family guy" back and made it incredibly LAME.

ENOUGH!

Look, I've studied "HERBALIFE" for a few months now and I found out that these people are in charge of it.

Now I can probably kick all their asses on my own but for the sake of giving you guys something to do in this comic i want you all to help me.

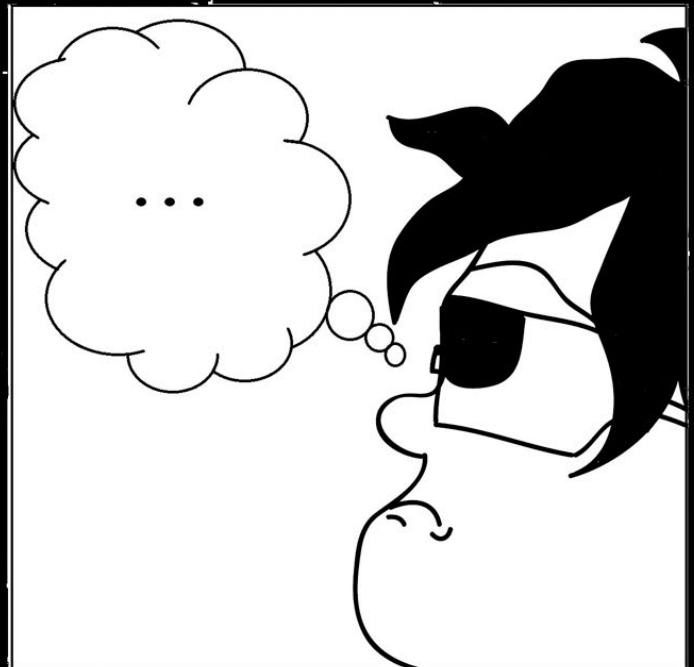

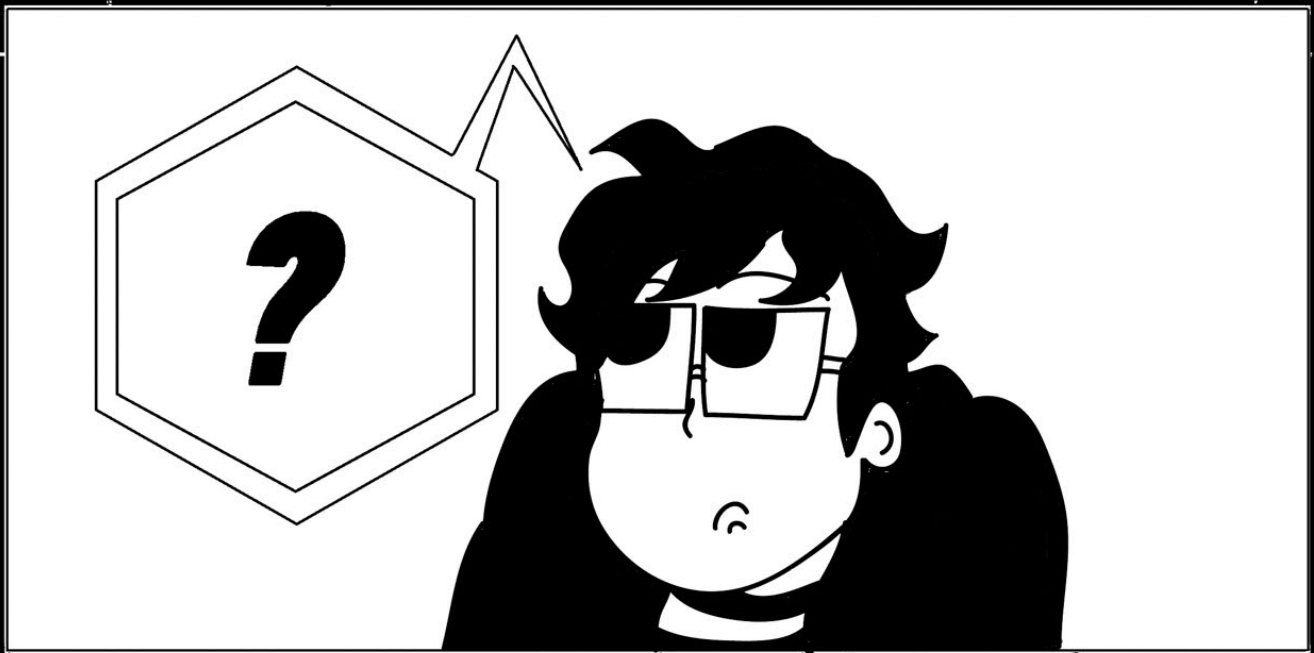

throw him
through
the door.

THROW?!
WAIT WAIT
WAIT WAIT
WAIT WAIT

FUCK!

Still making
fool outta a
yourself huh
cook?

ok first of all think about who youre talking to right now kiddo and secondly make the right choice and back away.

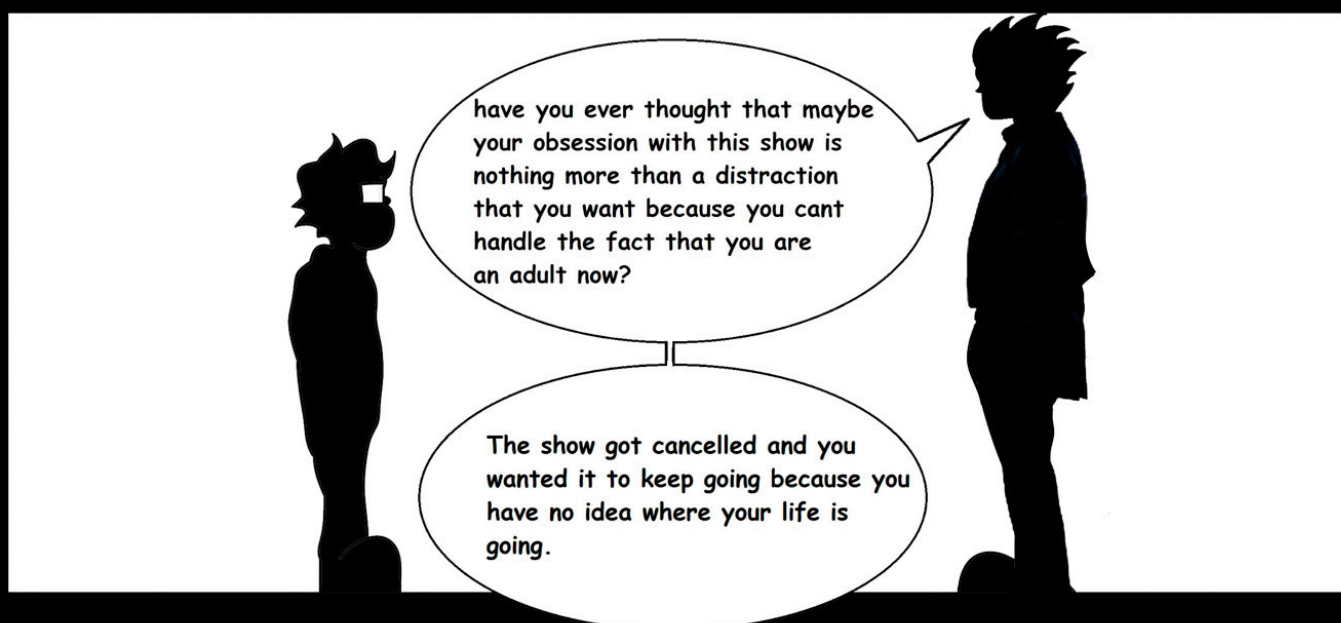

now as for the little spectacle youre makin out there, i think its time you put that to an end.

youre not getting that stupid fucking cartoon back so stop bitching and move on simple as that.

bring it back and I'll stop protesting its as simple as THAT!

Have you ever considered that fact Mr. Torres?

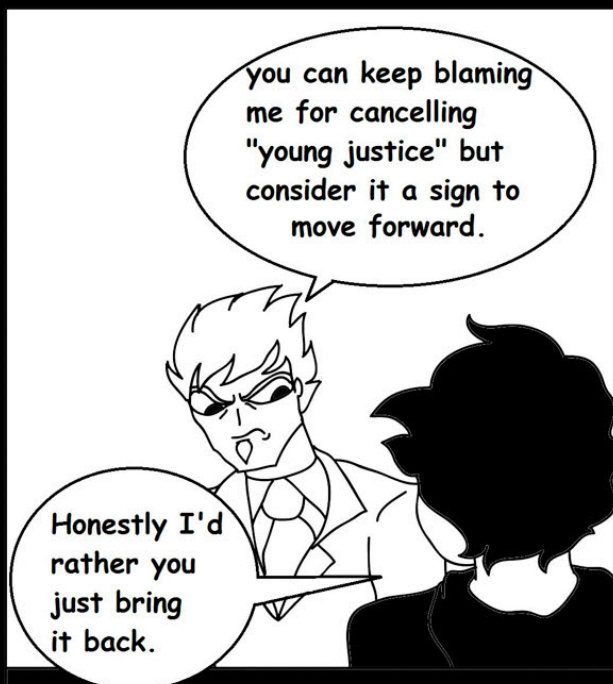

maybe somethings happen and the only reason they do is so they can shape us into who we're meant to be.

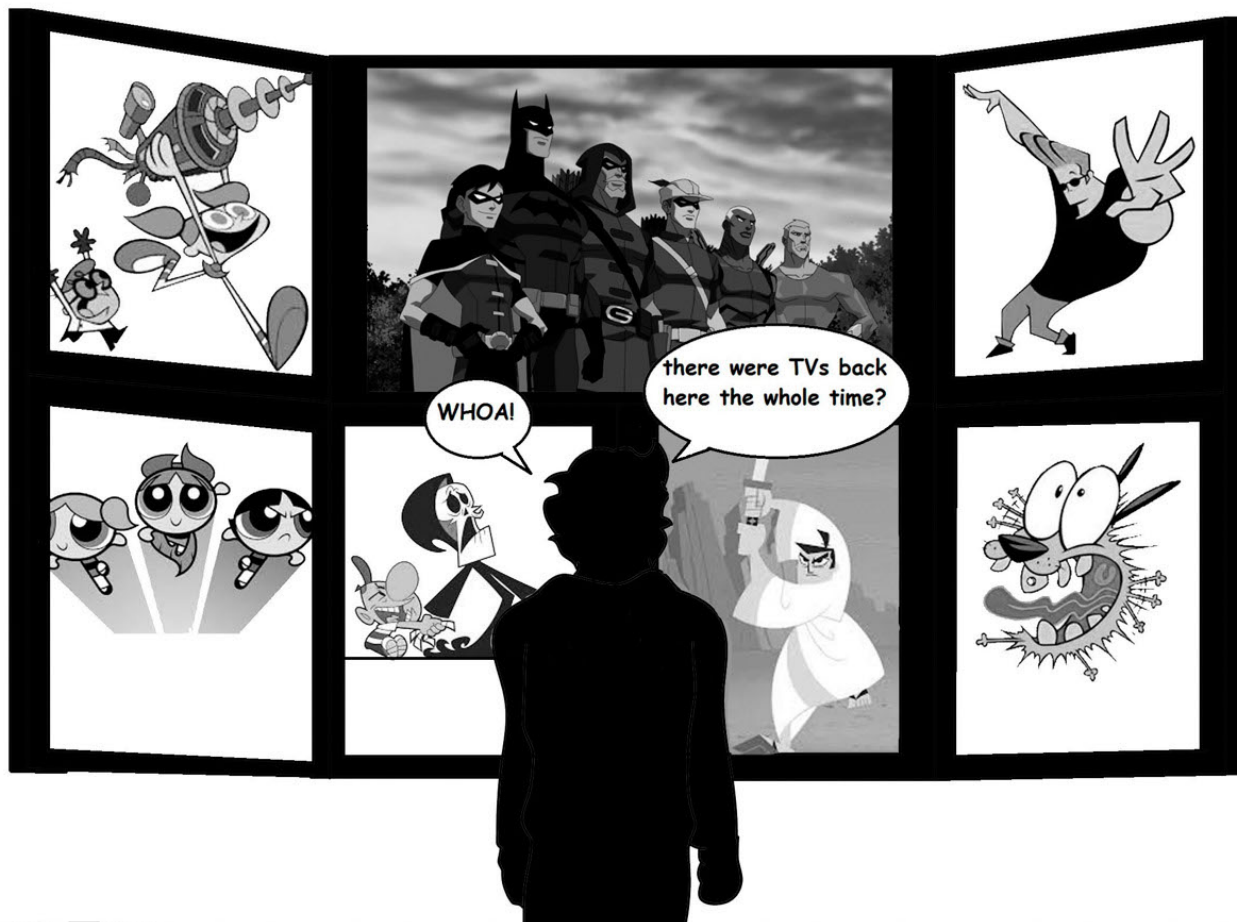

like a drunk fanboy annoying you so much that you decide to leave one life behind for a better one, or in your case having your favorite show cancelled.

its time to move on chris and turn off the tv. If you dont youre just gonna end up that sad pathetic drunk at that same bar every halloween talking about that show everyone else has forgotten about.

...all my favorite cartoon network cartoons.

wow its amazing how easily things from the past can have such power over you.

"Click"

HEY TURN IT
BACK ON!

Its even more amazing how
all of a sudden those very
things you loved can just
vanish with a click of a
button.

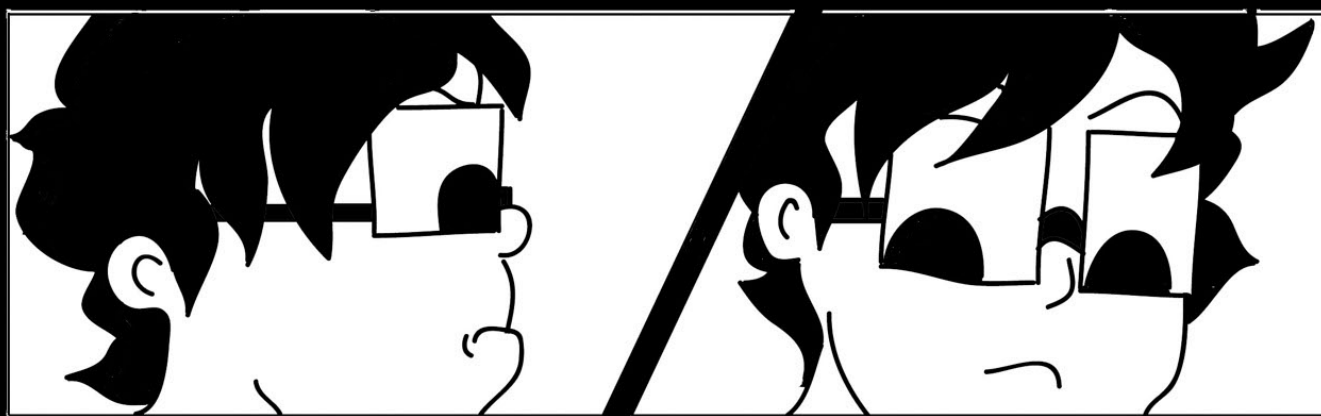

you got alot
of problems
dont you?

perhaps but in
either case...

**TO BE
CONTINUED...**
