Conflict Resolution procedures

Since we have had more issues requiring meetings this year than in years past, we thought it would be wise to remind everyone of the following:

Please follow the "24-hour rule".... This means you should not contact a coach for 24 hours... *please do not contact a coach for a meeting directly after a game or practice.*

Please remember that there are a few things we will NOT discuss with parents.... These include playing time, offensive and defensive strategies, and other student-athletes.
