

why new jersey is the

Frequently the target of jokes from visitors from nearby states, and negative stereotyping from TELEVISION shows like the Sopranos, [home care agencies in NJ](#) despite all of that, N.j. continues to attract people seeking good paying jobs, quality schooling and healthcare, amazing leisure tasks, and a fantastic spot to raise children.

I will be swift to admit that New Jersey is not an affordable state to reside in. The definition of greatest does not mean "cheap" or "cost-effective".

Though you may be spending more, New Jersey gets the country's best state and municipal providers contributing to an infrastructure that supports a safe environment and a range of quality of existence services. As a sensible old man once told me "You get what you really pay for".

Top Five Factors Why Nj is the State to Live In.

Healthcare - By nearly every measure, New Jersey is at the very top of any listing in states with the finest health care. Rated #1 in lowest (best) citizenry under functioned by primary care physicians and ranked 7th in infant mortality rate in 48 states. Source: American Association Of Retired Persons. Ranked 8th from 50 states in quantity of Doctors/1000. Source: U.S. Census Bureau 2004-2006 Information. And only over the river in New York City and Philadelphia, Nj residents have access to a number of the top medical institutions and physicians on earth.

Low Crime Rate - Ranked fourth in house crime and 13th in violent crime out of 31 states east of the Mississippi River. Source: U.S. Census Bureau 2004-2006 Information. And when you take into account that New Jersey gets the highest population density in the United States, New Jersey is quite a safe place to reside and is a credit to the state and the municipalities in offense protection and law-enforcement.

Pupil Education Grades K-1-2 - Nj stands tall when it comes to teaching; N.j. is Ranked #1 out of 50 provinces in Grade 8 to High-School graduation rates; Resource: Countrywide Board and Educational Testing Plan and Rated #4 in the cheapest (finest) Pupil/Instructor ratio. Source: IES National Center for Education Statistics.

Amusement - N.j. is a Mecca for amusement. Because of the states smallish size, first class amusement is in easy range of most New Jersey citizens. There are leading amusement sites through the state as well as the hotel casino's, as well as the Boardwalk Hall in Atlantic City, Nj is a magnet for world class amusement. Nj also has 2 NFL teams, a NBA staff, and a NHL Staff. [home healthcare NJ](#) And with Nyc and Philadelphia, just across the river with Broadway shows and major entertainment places, the amusement choices for New-Jersey residents are unbeatable.

Geographical Diversity - With prominent beaches like Wildwood being the finest on the East Coast, amazing hills and mountains in North-West NJ, and old-time Victorian towns like Cape

May, Nj's varied geography is easily reachable within an hour's drive from nearly every area in the state. National Geographic journal has called Nj "America in Miniature."
