JUST GIVING is the world's leading platform for charity giving.

Since our launch in 2001, we've enabled over 21 million people to raise £1.5 billion for over 13,000 charities and causes in radically new ways. Our job is to make giving and raising money for charity simple, social and rewarding. Through online and mobile we bring the best that technology has to offer to charities worldwide - which explains why more charities recommend Just Giving than any other online fundraising platform.
