How to get there:

Line 8 or Line 6, Nanluoguxiang stop, exit E. After coming out of the subway, walk north on Nanluoguxiang. After you pass Mao'er Hutong and Jingyang Hutong, keep your eyes peeled for Shajing Hutong on your left (note: Shajing is marked on the opposite side from where you're walking and you won't see it). Turn left onto Shajing and walk about 30 meters and you'll see us on your right.
