Thank you for filling out this application. Upon reviewing it we will make our decision as to if you are good enough for my best friend, have her best interests at heart, are pure damn scum, should end up like the last guy, or if we are ever letting you near her again.

You will not be informed of our decision. You will understand the out-come of this application as we will not let her call you, talk to you, think about you, use any form of electronic device to contact you, smoke signal you, or any other form of contact. Certain questions in this application have been specifically designed for us to determine if you are a god damn lunatic, just looking for a good time, or are actual a somewhat nice guy. We will never admit to the nice guy part.

If you have any problems or are offended by this application, you may contact absolutely nobody as we told you ahead of time we don't give a shit what you think and that she is the most important thing to us. You can go whine to someone who actually cares. If you never talk to her again because of this application you will have proven to us you a dog and we will speak to the people we sent out to take care of the last Son of a Bitch.
