

ELEONORA MEREGALLI

MY DUTY IS ALWAYS TO BEAUTY

WHAT I DO

I am a photographer and photo retoucher and my vocation is for fashion, beauty and portraits. My job is to improve the appeal of what you want to show.

BIO

I was born in Riva del Garda (Italy) in 1984. In 2005 I fell in love with the art of Photography. In 2007 I moved to Milan where I start to work as photo-editor for the portal virgilio.it. Since 2009 to 2014 I worked with the photographer Max De Martino (www.fotoinposanograzie.com) as assistant. I had the opportunity to learn about wedding photography and to show my photo-shop/lightroom skills.

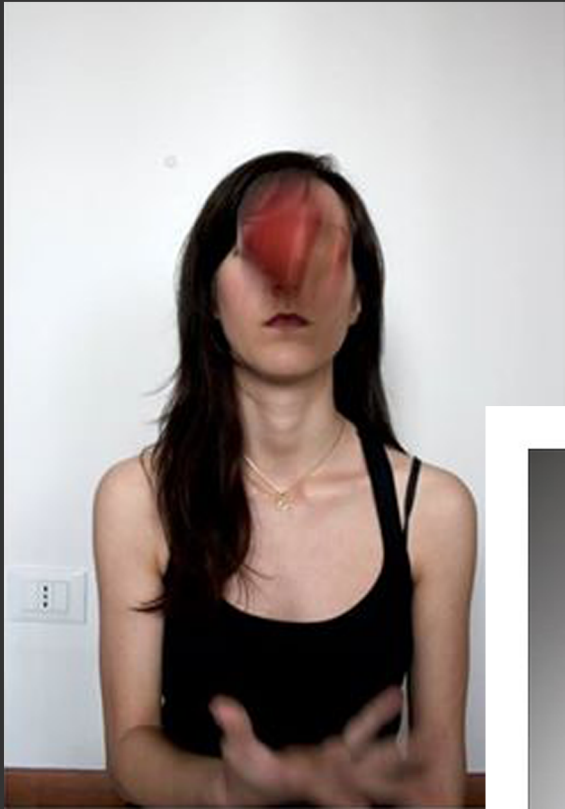

"If a day goes by without my doing something related to photography, it's as though I've neglected something essential to my existence, as though I had forgotten to wake up."
