

## Opening Remarks

Epsilon Zeta continues to take bold steps forward in our never-ending quest for improvement. Having been elected as High Alpha at the end of the spring semester, I was tasked with continuing to build on the strong foundation left by my predecessors. I am proud of the work that the brothers have accomplished and equally excited for what is to come during the remainder of the semester as well as in the spring.

We have witnessed a passionate Recruitment Program as well as a dynamic Fraternity Education Program. These programs have set the tone of progress within the Fraternity. They not only focus on recruiting the best men, but making these men into strong brothers through constant reflection and enlightenment. In essence, the fundamental link among all brothers is our common desire to see our chapter grow and strive, while still enjoying our time at the University of Pennsylvania!

Suraj R. Mattai  
Chapter President

## Upcoming Brotherhood and Alumni Events

- Homecoming BYOB dinner 9:00 pm Friday, November 8<sup>th</sup>. At Marakesh, Moroccan Cuisine. Please RVSP via email. \$25 per person.
- Post-game celebration around 3:00 pm. BBQ and Mocktails" will be served after the game.
- Save the date! Initiation Ritual is on November 23<sup>rd</sup>. Space is limited. Please reply to this e-mail to RSVP.

### Important Announcements

- Epsilon Zeta is actively recruiting Lambda Chi Alpha Alumni for the formation of an Alumni Advisory Board. The Board is designed to provide advice and guidance to each chapter officer and should meet at least once a term. Other than offering support and direction, the Board also is there to assist the High Pi in advising the chapter as its name implies.

We need at least 3 alumni members for the creation of this board. If you are interested, please contact our High Rho at [racarlos@sas.upenn.edu](mailto:racarlos@sas.upenn.edu).

Brothers and Associate Members (Ian Sibner, Nikhil Nag, Tony James) help clean up Clark Park.

### Community Involvement and Extracurricular Activities

-High Theta, Carl Glaser, is organizing a chapter-wide trip to the soup kitchen. Lambda Chi Alpha announced a new partnership with Feeding America to significantly increase the amount of food our chapter collects and donates to our local food bank.

-Additionally, Epsilon-Zeta has collected a large quantity of gently used clothes for donation.

-Alumni, if you have any ideas and connections for further community involvement please contact our High Theta.
