Resident members of the Order of Asclepius joined in the Light of Peace 2014 event on April 14, 2014 at the Savannah City, Oton, Iloilo.

The Order of Asclepius spearheaded the event in the WVSU – College of Medicine in partnership with the Medicine Student Council (MSC) and Asian Medical Students Association (AMSA). Ms. Rachel Catague acted as zone leader in the Guinness committee that ensured the assigned candles are lit in the A6 zone of the formation which forms part of the image of the Philippine map. She also led a group of volunteers from Veterans village as well as from the city proper. In addition, members from different

batches of the Order of Asclepius also took part in the said event.

The said activity featured the largest flaming image by candles created by the 100,000 participants. The completed image depicted the Light of Peace event's logo and motto "World Peace through Inner Peace" with "The Philippines". Recently, it was confirmed that the said event was successful in its bid for the Guinness World Record.
