

rubber matting

All Rubber Matting is comprised of all types of mats, entrance mats, runner mats, anti-fatigue mats, gym mats... all pure rubber. Our commercial-grade rubber mats are made to withstand the most extreme environments, whether it be rubber door mats exposed to snow and sun outdoors, rubber comfort mats covered with cutting fluids in industrial locations, rubber kitchen mats caked with grease and oils in restaurant kitchens or rubber gym mats taking abuse from heavy weights and equipment in fitness facilities.

- **What started in 1985 as one man's vision to keep used tires out of a local landfill has evolved into a leading manufacturer of recycled rubber flooring, tiles, mats and other products. Today, RB Rubber is one of the largest and most technically advanced tire recyclers in the world with the ability to make quality products that contain up to 96% post-consumer waste.
