### Company Overview

La-Bella Founded by a true lover couple, The company has opened a retail store committed that it gives stylish and quality fashion in reasonable price to its customers. La-Bella will open its branches in different places soon. Hope, Customers loves La-Bella. Customer loves can make one of the most extensive vintage clothing and textile collections in Nepal. Top design teams utilize La-Bella for their vintage clothing and accessory needs.

After travelling many stores in Nepal, We didn't found the finest vintage clothing and fabrics, Maione and Weisser, So La-Bella will launched Collection, a vintage-inspired line for women and men.

The La-Bella has enjoyed a tremendous response since its launch. The collection will sold in more than 100 specialty brand clothing in future.
