## The Big Day—May 17!!

*Goin' To The Chapel* Some of you are staying at the **Holiday Inn Express**, and some of you are taking over the **Magnolia House** or the **Sheridan Livery**. We have arranged for vans to shuttle guests from the Holiday Inn and Magnolia House to the wedding and from the reception.

**If you are staying at another motel or B&B**, please let Mary know by Friday (May 16) ([mznatkin@gmail.com](mailto:mznatkin@gmail.com) or 540 784-9569) so we can arrange to have you picked up. Folks at the Sheridan can easily walk to and from events, but we can pick you up if needed—just let Mary know. You also could leave your car at the Holiday Inn and grab the shuttle from there. We will have sign-ups at the Holiday Inn front desk for shuttles, which will begin rounds at 3:45. Try to sign up to help the drivers get everyone to campus by 4:45. There will be plenty of seats and the drivers will keep shuttling until everyone gets there! Lexington is small, and the motels are not far from the campus, but be warned that *parking is always tight*.

**If you wish to drive, here are some areas where you will find parking:** [www.downtownlexington.com/downloads/Map/Parking%20Map.pdf](http://www.downtownlexington.com/downloads/Map/Parking%20Map.pdf). The lot marked as #6 is the lot behind the chapel and the closest to the wedding. There is also street parking, but it tends to stay full, especially when students are still on campus (which they will be).

## *The wedding is scheduled for 5pm*

Immediately after the ceremony, we ask that all of you line up on the *semicircular stairs in front of the chapel* so we can get a few group photos. As soon as you've said "cheese," you will *walk down the path* to hors d'oeuvres and cocktails at **Evans Hall** (look for the lanterns for the entrance).

## *Food, Glorious Food*

Everyone will mix and mingle and nosh until the *bridal party gets to Evans Hall around 7*. Dinner will be set up in stations, and we expect to open those at 7:30.

## *Bring Your Dancing Shoes*

We hope everyone will enjoy visiting with old and new friends, dancing and having fun until *the happy couple departs around 10:45*, when we will send them off in a shower of rose petals. Shuttles will be available at any time during dinner and the reception if you are ready to leave. Before 9:30 p.m., just find Carolyn Tolley (our coordinator extraordinaire) or the Alan Devers (the DJ) and they will call the drivers to come get you. Both shuttles will be back at Evans around 9:30 and will make continuous loops to get folks back to their beds.

## *Sunday Morning*

We hope anyone who wishes to continue visiting will meet up for breakfast on Sunday morning. Stay tuned for more information on who's meeting where and when.

*We're so happy you're coming to Lexington!*
