

# Friends of Exeter Axhayes Adoption Centre

Dear Sir/madam,

I am contacting you on behalf on the Cats Protection Exeter and Axhayes Friends of Group.

We are planning on holding a ladies pamper evening during October this year and we are asking if you may be able to help by donating some cosmetics, perfumery or similar "samples" that we could use to help us raise much needed funds for the adoption centre. If you are able to donate some money off vouchers for full products as well to encourage people to buy the products once they have tried a sample then this would be fantastic too.

All monies raised during this event will go directly to helping the cats & kittens in our care.

Cats Protection is the UK's leading feline welfare charity. Our vision is a world where every cat is treated with kindness and an understanding of its needs.

Cats Protection has simple and clear objectives to help cats:

Homing: Finding good homes for cats in need

Neutering: Supporting and encouraging the neutering of Cats

Information: Improving people's understanding of cats and their care

Today, Cats Protection's 7000 volunteers and staff are busier than ever. Working to meet the increasing demands placed upon us by a growing domestic and feral feline population. Together we re-home and reunite 55,000 cats and answer over 100,000 calls from the public every year. We do this work through our branched and adoption centres across the UK.

I appreciate that you must receive many such requests but any help that you can give would be greatly received. Should you wish to discuss further please do not hesitate to contact either myself or Veronica Brown on 01392 757193.

Yours sincerely
