

Hello Friends! AGM/Selah newsletter is published (every 3 months). The purpose of the newsletter is to help keep you current on the ministry news and to be a source of encouragement to you.

We hope you have received your JUN thank you package with your copy of a Selah Program and more. If you did not get one and would like one, please call. It may be we have a wrong address for you.

REASONS TO CELEBRATE

We serve a risen Savior who loves us with a boundless love and Who is our living hope!

TESTIMONIES: The calls and letters are so touching. One man, wraps up his "widows mite" in a DD napkin and sends it faithfully every month. What faith! A women called so discouraged about a transportation issue and God did a miracle within days and set her free in an area she was in bondage to for years. In April, a caller asked for prayer for his wife and a difficulty they were in. We prayed together. He felt God's personal love and presence so strong. It gave him the peace and assurance he needed to press on and believe God for great things. Great things are happening.

FAITH VENTURES: Our CD duplicator broke down. We decided to take the faith challenge and order a new duplicator. Within days a gift came in from a listener who had no idea about our "sudden" need but God did. Thank you God and thank you friend of God. We both embarked on a faith adventure and God proved faithful again!

COMMUNITY EFFORTS:

In April, we purchased a transistor radio for a shut-in, sent a Bible on CD to a listener who is going blind and so on. We desire to do much more. Next project will be to help our serviceman. Keep this in your prays. We will keep you posted as project develops.
