Q&A

Here's the place where we put all your fears to rest and hopefully answer any niggling questions. Please ensure you bring your soul canister with you if you are intending to participate at the AGM.

Q: I am flying to the conference. Is there some kind of transport from the airport to the Sudima Auckland Airport?

A: Yes, a summoning and teleportation circle will be made available in the men's public toilets in Auckland Airport. Please let us know well in advance if teleporting via the necroverse causes you nausea or insanity.

Q: Isn't the Feast of Souls just a waste of money?

A: Aside from the delicious souls, great entertainment and great company, Colin and Christine will be speaking about the future of the Conservative Party and our plans for complete domination of the mortal realm.

Q: How do I know if I should go to the Sunday Session?

A: If you've ever had problems suppressing your homosexuality, then this session is definitely of benefit to you as it takes a hands on approach. You will be meeting other members who also have problems suppressing their latent homosexual desires. This is also a policy workshop.
