Roxas Hall was flocked by aspiring heroes today as the Order of Asclepius held the Blood For Glory 4, a blood drive campaign partnered with the Philippine Red Cross.

This is the fourth Blood For Glory held by the Order, with the aim of raising awareness among the masses about the need for blood in health care settings and the value of saving a life through blood donation.

Having started as an inter-college blood drive in 2012, the Blood For Glory is now one of the crusades of the Order of Asclepius in their efforts in serving the community.

The members were overwhelmed by the support shown by the donors, majority of whom were composed of medical students. At the successful close of the activity, the recorded total was 52 registrants and 33 units of blood collected:

- Type O—11
- Type A—12
- Type B—5
- Type AB—5

The Order hopes to hold succeeding blood drives at least every three months in the future. For inquiries on how to support this aspiration, please contact GLA Angeli Nicole Portigo at 09285024601 or JMA Argee Alonsabe at 09222900634 for more information. Our official account number is: 1333308408. Thank you!

A healthy person is able to donate blood every 3 months, so we are encouraging everyone to help save lives... donate blood! #
