

Unseen

I COULDN'T GIVE YOU ANYTHING THAT'S YOURS ALREADY
YOUR FANTASY ISN'T WHAT I WANT TO SEE
CHANGE THE WORLD I LIVE IN,
IF A DOORWAY PASSES THROUGH A DOORWAY

We've Created Before,
Light on Leaves.
Time waits to come AFTER.
Slip in Between,
The escapees ARE missing ALL THE FUN.

THE DEER WITH THE GLOWING ANTLERS

still,
Overwhelmed BY THE endless Love.

Destiny CALLING,
Destiny FALLING.

I AM A SLOW EXPLOSION

Not FOR this Lifetime,
If this is ONLY your Distorted Reflection.

I WANT TO KNOW,
BUT I DON'T WANT YOU TO SHOW

Heaven is in,
not up.

THE PAST WILL never BECOME NOW,
THE FUTURE WILL never STOP BECOMING NOW.

The CURTAIN
TORN in two

FEAR YOUR GOOD
NEVERMIND YOUR BAD.

Come to my well.

The throne

CONTACT

Looking in,
Your wings
But your EYES FLY
Everytime you Blink
is A NEW DAY OF LIGHT

Everytime I Blink,
You're the Moon in my night.

Plant Seed
Couldn't get them anywhere else
The planted grow
I'm a sower so I sow
Light up the universe
I'm not the stars, I am the glow.

Jerusalem the infinite mother.
