

DEAR STUDENTS

Exam preparation made simple! This is what we and 40,000 other students believe when studying with qLearning. Help us grow our content base of existing 500 courses by adding study materials from your classes. Become a part of our network of more than 150 campus ambassadors throughout Europe.

WE ARE LOOKING FOR CAMPUS AMBASSADORS

Your tasks

- Selection of appropriate courses for the qLearning app.
- Creation of new learning content (multiple choice, flashcards).
- Revisions of existing learning content created by other campus ambassadors.

What we offer

- Flexible work hours and real responsibility.
- Fair pay based on content & a work certificate.
- Insights into an ambitious and growing start-up.

You are interested in working independently. Preferably you have experience with tutoring or wish to gain some. You have excellent grades and wish to help other students to pursue their studying goals. Send you application to
