# VILLAGE CANDLES

Village Candle is a leading US manufacturer of handcrafted premium fragranced candles. Based in Wells, Maine, that has been producing high quality premium candles for 20 years.

All Village Candles are 100% hand poured. The candles are handcrafted under strict quality control using only the most refined wax, the richest colours and the finest fragrance oils. The packaging is singularly unique. The Premium Candle Jars feature the exclusive dual wick technology that burns cleaner and generates less soot than the single wick style. More light, less wax residue and pure, clean fragrances. You achieve a cleaner more efficient burn with double the ambiance. 100% food grade paraffin used in all candles. Every wax batch used through production is tested for fragrance throw, burn quality and UV reaction before released to stock. All chemicals and wax components used are done so with the approval and certification of the "Material Safety Data Sheet" supplied by Sasol Wax Americas Inc. All candles supplied and warning labels used are SATRA tested and approved in line with candle standard BS EN 15426:2007

## Village Candle Fragrances

Apples & Acorns	Combine the fresh scent of sweet apples and the rustic richness of oak, and you've got one of our founder's favourite candles. The essence of this rich and woody fragrance rekindles memories of country fairs, apple picking and a long brisk walk through crisp, fallen leaves.
Apples & Cinnamon	This lively combination of nutmeg, clove and cinnamon is combined with freshly baked apple, brown sugar and vanilla, in this delectable classic of oven baked goodness.
Balsam Fir	This beautiful and aromatic balsam fir lends its scent to rejuvenate and invigorate us. Create a woody atmosphere in your home with notes of bergamot, evergreen leaves and oak moss. Transport yourself to another place anytime you wish to enjoy a rich and fragrant getaway.
Black Bamboo	Cool, calm and sophisticated. This candle has it all. Its deep, dark black colour is classy and mysterious. Notes of lotus flower, fern and hints of cedar wood create an intriguing atmosphere. Wonderful for a quiet night spent at home.
Black Cherry	Succulent, Juicy Black Cherry and rich vanilla cream.
Blueberry Muffin	Do you remember the feeling of coming home to the most delicious smell of freshly baked blueberry muffins? Butter, brown sugar, fresh cream and blueberries come together in a true rendition of this classic treat. The best part is this one is calorie free!
Brownie Delight	The delicious blend of warm caramel and melted butter are folded into moulds of white marshmallow fluff as sweet layers of dark chocolate lava cascade upon the sugary brownie cake. Baked to perfection and served warm.
Canyon Sunset	As the sun sets over the desert landscape, there's a magical moment when the light, stillness and incomparable beauty are seemingly suspended in time. With the red-orange colour of canyon walls and a fragrance as subtle as desert sage, our handmade Canyon Sunset candles create an ambience you'll love to linger over after the sun goes down.
Caramelized Pear	The decadent smell of a juicy, fresh pear drizzled with creamy and buttery caramel sauce. Light this candle and enjoy a calorie free treat.
Cherry Blossom	Softly delicate, yet bold. Femininely floral, yet fruity. This exciting fragrance is a fabulous tribute to the amazing and showy Cherry Blossom in full bloom.
Cherry Vanilla Swirl	Juicy fresh cherries are swirled into sugary vanilla cream in this luscious sweet treat.
Cinnamon Bun	Early morning at the village bakery. You can almost see the seductive spicy cinnamon fragrance waft out the door as hungry customers come into get them while they are warm. The best, plumpest, softest cinnamon buns ever, smell exactly like this amazing candle – indulge yourself.
Cozy Home	Delight the senses with this inviting and relaxing fragrance. Warm cinnamon, infused with spicy nutmeg and clove are carefully blended in this warm and comforting candle. This fragrance combines all the soothing spices that create the ambience and the sense of warmth, and happiness that envelopes a cosy home.
Cranberry Grapefruit	We started with the fresh, clean scent of tropical grapefruit and added our own down east twist – tart, tangy cranberry to create an aroma straight from paradise. Always uplifting and never overpowering, it's the perfect way to relax and enjoy your own great escapes from the mundane.
Creamy Vanilla	Imagine an old fashioned ice-cream parlour with the smell of fresh waffle cones being made. Nothing hits the spot quite like creamy vanilla. Smooth and silky with notes of sweet butter, this is one ice cream cone that you will want to melt.
Crisp Apple	Its harvest time and you've just picked the juiciest apples you could find from the orchard. Baskets are brimming and you choose that one, perfect red apple to take your first bite of the

season. Bring that fresh, crisp scent with notes of apple wood and pear blossom into your home any time of the year.

Egyptian Sandalwood	Unlike the strong incense fragrance made from this essence, our superb, elegant looking candle has a subtle alluring scent underlain with a fresh note of genuine sandalwood. Ideal for setting an intriguing, soothing mood.
Fresh Strawberries	Here in Maine, the arrival of strawberry picking season brings on a full-fledged summer celebration. Farm stands and fields are bursting with this luscious fragrance of the season and the smell of pies and shortcake soon follow. Strike a match and indulge in a fragrance of pure pleasure.
Frozen Margarita	This candle will take you away to your favourite tropical destination. An exhilarating blend of zesty lime, citrus fruits, golden tequila and just a hint of sea salt will create many happy hours of a liquid libation in wax form.
Gardenia	Its unmistakable, arousing and luscious – the fabulous scent of gardenias conjures up visions of languid days by tropical pools and enchanting candlelit evenings. As creamy and porcelain – perfect as the flower it is named after, our candle is utterly irresistible.
Hibiscus	Escape to Florida, Hawaii or any blue lagoon in your imagination with our vivid, fruit-punch hued candles inspired by the classic tropical blossom. As bold as the flowers that inspired them, the scent is as exotic and relaxing as a stroll in the tropics.
Hydrangea	The magnificent flowers that bloom in the heat of the summer are so strikingly beautiful, our perfumers have worked so diligently to capture the essence in this candle. Once lit, this beauty emits fresh hydrangea, hyacinth, lily of the valley and soft amber filled wood...aah, the freshness of summer in a candle.
Juicy Melon	Delight the senses with a variety of delicious melon notes combined with kiwi and vanilla. Simply remove the lid to reveal the juicy, fragrant fruit inside.
Juicy Raspberry	Ripe and delicate like the berry itself, the secret of this deeply satisfying fragrance is that it is delightfully full without being overpowering.
Just For You	Light this candle and you will be taken back to the times you were given fresh, beautiful flowers. The anticipation of opening the card, reading the words meant just for you, and finally, the effusively alluring smell embracing you as you open the package.....we have been able to capture the essence of that place in time, in our Just For You candle. Enjoy.....
Lavender	Wide, rolling fields of purple lavender stretch to the horizon in Provence, France, the rich, heady fragrance wafting on gentle breezes in the bright sunshine. Be there now – just light this candle, pull up a pillow or draw a bath and relax with this beloved herb's warm, soothing, embracing scent.
Lemon Pound Cake	Rich yet light, the best lemon pound cake you've ever had fills your senses and satisfies your dessert cravings. This candle brings you that delectable experience every time you light it – with no calories! This is a favourite!
Lily Of The Valley	Ah, what would springtime be like without the gentle, sweet scent of this dainty favourite wafting across the garden? Now you can enjoy it at any time, or give a gracious, sentimental gift, with our flawless, pure-white candle tribute – truly lovely!
Maple Butter	Nothing says 'good morning' like the delicious aroma of maple syrup and buttermilk pancakes hot off the griddle. We carefully blended a number of fragrances before we perfected this mouth-watering aroma that makes calling everyone to breakfast as easy as lighting a match.
Nantucket Cranberry	Straight from the lushness of New England in September, this deep, rich, burgundy candle with its distinctive, fresh, tart fragrance will satisfy the most discriminating cranberry candle lover! Village Candle's Nantucket Cranberry candle is bursting with the juiciness of this comforting classic fruit.

Orange Cinnamon	Refreshing orange and warm cinnamon create a calm and cosy atmosphere. With just the right amount of spice, aromatic clove and mandarin notes are included to make this candle a treat for the senses.
Orange Dreamsicle	A combination of creamy French Vanilla, orange zest and other citrus notes will bring back memories of those lazy days of summers past.
Pure Linen	The day after the big rainstorm dawns breezy and sunny, and you decide to hang the sheets out on the line to dry. Late in the afternoon, when you retrieve them, the smell is warm, fresh and crisp. This scrumptious candle recreates that satisfying pleasure, filling the room with its pure light scent.
Summer Breeze	A lazy afternoon at the height of summer.....you're lounging on the patio completely relaxed, when a soft breeze sifts over you, bringing the warm scent of honeysuckle, roses, even a note of fresh mown grass. This evocative candle will bring back that languid, mellow joy whenever you desire.
Summer Slices	As refreshing and fun as summer get together. The inviting fragrances of freshly sliced watermelon and crisp cucumbers straight from the vine capture the best of summer for you to enjoy anytime.
Sweet Buttercream	The recipe calls for a lot of fresh butter, real vanilla, sugar and eggs. Put it all together and you've got a topping so tempting it may never make it to the cake. Our scented candle rendition is perfect on a dessert of pastry table, or you can array some around the room at a memorable, extra festive party.
Tropical Getaway	Intoxicating sun-drenched coconut and juicy ripe pineapple have been carefully blended in this creamy tropical fragrance.
Vanilla Caramel Swirl	Food memories are evoked from the pleasant scent of Madagascar Vanilla fragrance. Our combination of this essential ingredient for making crème brûlée is carefully swirled into a warm and delicious caramel, creating a sweet delectable treat for the senses. The perfect fragrance when a delicious indulgence is needed.
Vanilla Sandalwood	Creamy Madagascar Vanilla accents the precious woods of Patchouli, Sandalwood and Amber in this candle.
Walk On The Beach	The smells of a long walk on the beach are captured here. Sea salt, cyclamen and water lotus spiral like the ocean breeze. Light and enjoy.
Warm Apple Pie	Memories of Gran's kitchen in autumn – who can forget? Sweet, crunchy apples rolled in cinnamon and cloves, sprinkled with lemon juice and flour, and dished into a perfect piecrust. As it bakes, the entire house fills with anticipation. Savour that wonderful memory every time you light this inspired candles.
Wild Rose	Capture the magic of hot summer days filled with the irresistible aroma of rambling, bloom-studded rose bushes. The romantic sweet scent of rose is like no other for creating a warm and cosy feeling, whatever the season.

## Festive Favourites

Christmas Cookie	Create some Christmas magic. The alluring aroma of fresh baked sugar cookies, rich with butter and vanilla, is a tradition almost as old as St. Nick. There's no better way to make yours a truly welcoming home for the Christmas period
Christmas Morning	This timeless fragrance brings back the memories of those special moments shared with loved ones on Christmas Morning! Our distinctive blend of fresh from the woods, pine needles, fir, balsam, and cedar leaf captures the aroma surrounding those shared memories. This nostalgic fragrance will truly transport you back to that specific moment in time. Perfect for holiday decorating or for anytime!
Christmas Tree	The tree your family and friends will gather around with fond memories. With notes of juniper, fir needle, cedar wood and musk, you can reminisce that day over and over again. Those cherished moments will come flooding back when you light this candle.
Cookies for Santa	Old fashioned bakery goodness in every sniff! Rich, creamy butter and granulated sugar baked to a crispy sweet finish with just a hint of buttercream. Sweet and sugary
Gingerbread Cookie	The warm, spicy scent of just-out-of-the oven gingerbread cookies will remind you of Christmas years gone by. Light this candle to fill your home with its delicious aroma.
Happy Holidays	Enjoy the Christmas spices of cinnamon and clove, mixed with earthy cedar wood and balsam. Relax in the warm glow of the spirit of the Christmas season.
Holiday Wreath	The very essence of a welcoming Christmas home. The rich, fragrant aroma of balsam fir with just a hint of eucalyptus, sets the perfect tone for savouring the season with family and friends. You can keep on enjoying the candles fresh, woody scent and reassuring glow long after the Christmas decorations have been put away.
Mulled Cider	Chilly winds and early snow seem to make the enticing scent of spice-laden apple cider even sweeter, warming you from head to toes with its rich, abundantly satisfying aroma. Light this candle to welcome travellers in from the cold or set a comforting mood on fall and winter days.
Winter Wonderland	Siberian Balsam and Cedar wood finished with a hint of Sweet Mandarin.
