## KOMETES LEAD THE CANADA DAY PARADE...AGAIN

The **Kawartha Komets** had the distinct privilege of being the **Flag Bearers** again for this year's **Canada Day Parade**. Our players were thrilled to bear the flags of our country, the provinces, the territories and our city as they marched down George Street. What a wonderful way to celebrate our nation's birthday! The **Kawartha Komets** are grateful to the **City of Peterborough** for selecting us again to lead the way. They thought we did such a great job in 2013 that they asked us again.

## THE PRESIDENT'S PERSPECTIVE by Jim Glynn, Komets' President

The **Kawartha Komets** have had a very active summer in a number of areas. We've enjoyed our annual awards banquet and dance, we've again been the flag bearers for the **Peterborough Canada Day Parade**, our Seniors have been the guests of the **Toronto Blue Jays** for a game, we've gathered for a number of events and ceremonies such as receiving a cheque from the **Ganaraska Financial Credit Union** as part of their grand opening ceremonies and we participated in the **Marlin Travel 10<sup>th</sup> Anniversary Celebration** and fundraiser. We spent a beautiful summer day at **Elim Lodge** for our annual **Summer Family Picnic**. The **Komets** recently held two fundraising barbecues at **Overstock Liquidation** at the former Jack and Jill location on the Lakefield Highway. And...the special events planned for the Fall and Winter mean lots more memorable times together for the Komets. And that's just the off-season! Your **Komets Board of Directors** has a few new faces. We thank **Kelly Gillis, Doug Lockington and Dylan Armstrong** for their service and welcome the talents and new ideas of **Stephanie Martinell, Adam White and Kathy Dracup Harris**.

As I mentioned, part of the strength of the **Komets** is the exciting new ideas that we come across every year. Board member **Bob Prole** recently presented us with an invitation in the form of a practice called "**Stop, Start and Continue**". It's quite simple: write down your ideas for the **Komets** under three headings. The first list, under the heading **Start**, is for the things our organization is not presently doing but should be. The second, **Stop**, is for what we doing but shouldn't be. The third, **Continue**, is for what the **Komets** presently do that should be continued. I enjoyed using this format to put down some thoughts and I extend an invitation to all of the **Komets** "Family" to try it. Send your submissions to [prolebob@gmail.com](mailto:prolebob@gmail.com) or, if you prefer, to me, [jimeglynn@hotmail.com](mailto:jimeglynn@hotmail.com). What you think and how you feel are an important part of who the **Komets** are and where we're headed. As we form our plans for the upcoming season we are anxious to tap into our most valuable resource – **YOU**. The **Kawartha Komets** have grown to become a corporation complete with the ability to provide income receipts for donations. That's great but we will never be so big that we forget the reason we exist...the **Komets** players and their families. If you have a question, concern, compliment or complaint about the **Komets**, please contact me personally. I will get back to you within 24 hours of receiving your message & will either provide you with an answer or explain my plan to get one. The response may not be quite what you're looking for...the needs of the organization at times conflict with those of its members. But you will be heard and there will be follow-up. Let's talk! I can be reached at [jimeglynn@hotmail.com](mailto:jimeglynn@hotmail.com) – *Jim Glynn*

The **Jack McGee Kawartha Komets** are always looking for new players to join our ever-expanding program. If you have or know of children, teens or adults, male or female, who, for whatever reason, have not been able to play hockey, please get in touch with us. We are also looking for coaches, trainers and volunteers. If you are interested in serving with the **Kawartha Komets** in this capacity please call **Carol Fisher** at (705) 750-0655 (home) or (705) 868-8825 (cell) or e-mail the **Kawartha Komets @ dwfisher@nexicom.net**

## MARY McGEE, OUR MAJOR SPONSOR...

We are grateful for the generous support of the McGee family again for the **2014-2015 season**. **Mary McGee** was pleased with the opportunity she had for the past 2 seasons to do something significant in honor of her late husband **Jack McGee**. **Jack**, the founder of **McGee Chevrolet Cadillac**, did so much for sports in Peterborough, always willing and anxious to help out. The **Komets** are pleased to display the McGee logo on our jerseys and on our brochures, website and promotional items.
