

When

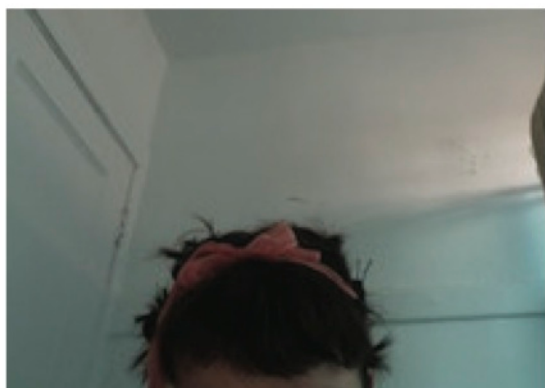

you

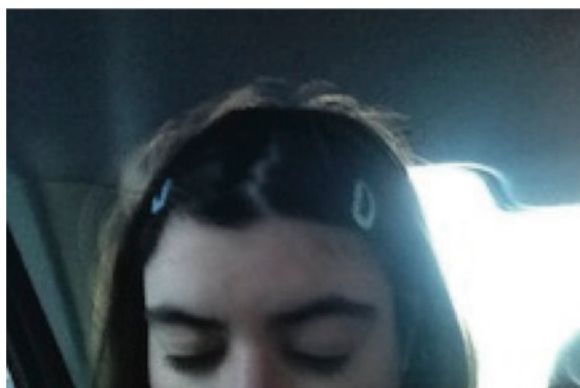

don't

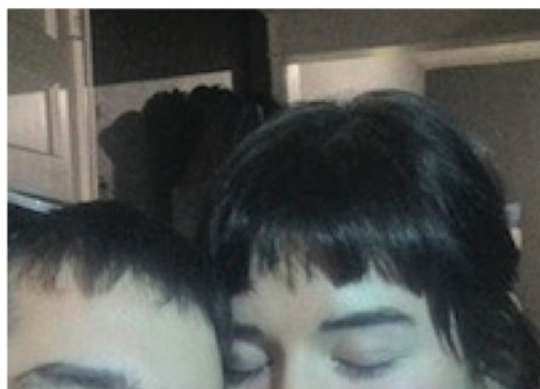

see

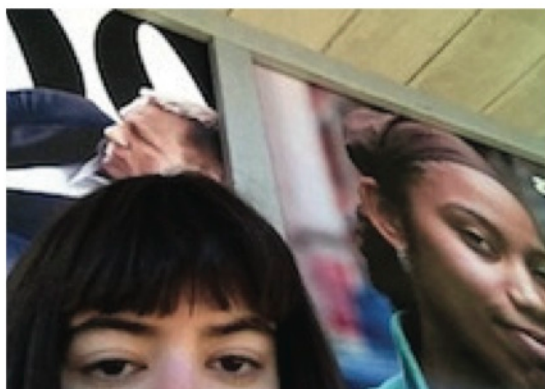

someone

for

a

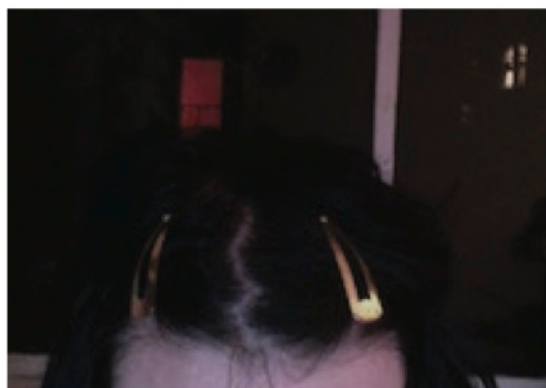

long

time,

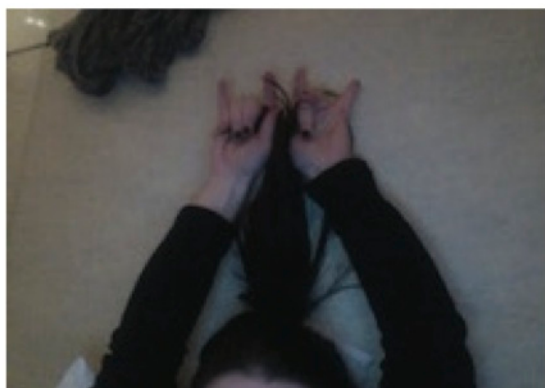

they

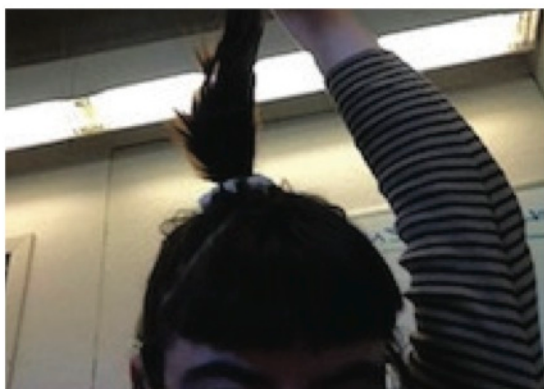

tell

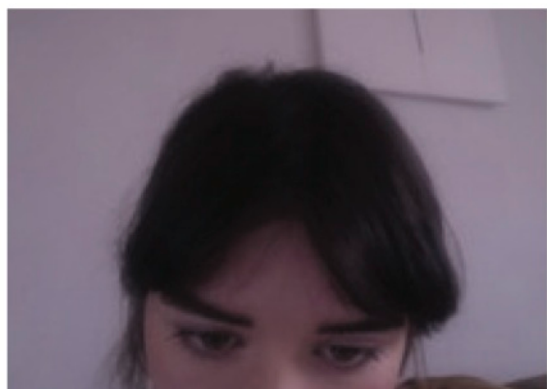

you

how

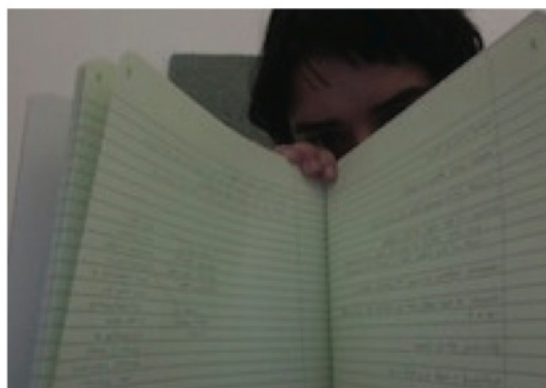

long

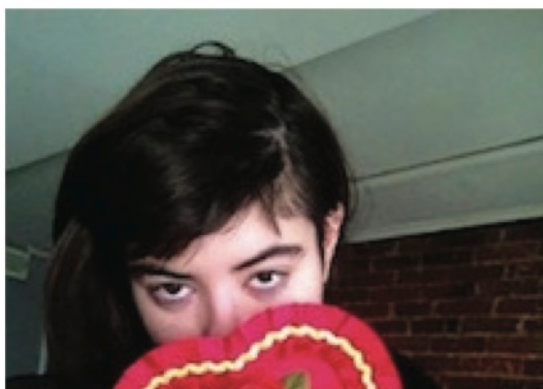

your

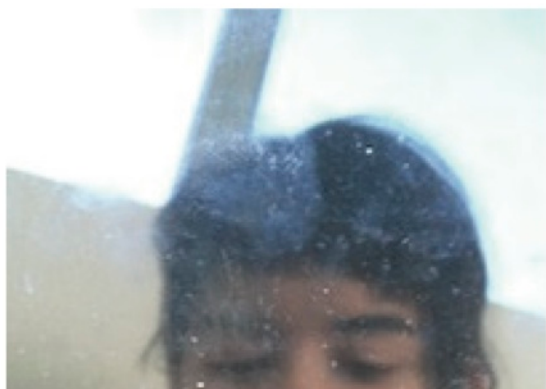

hair

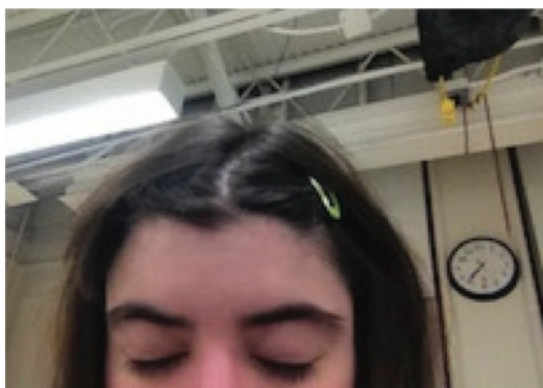

has

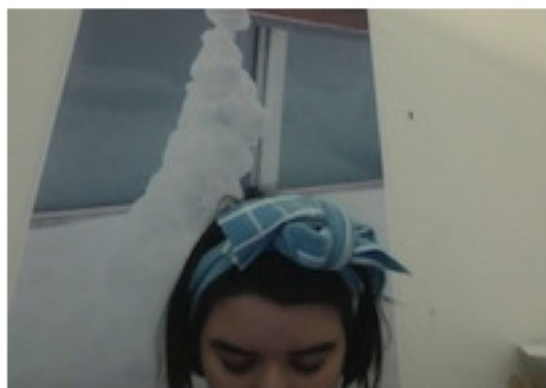

gotten.

You

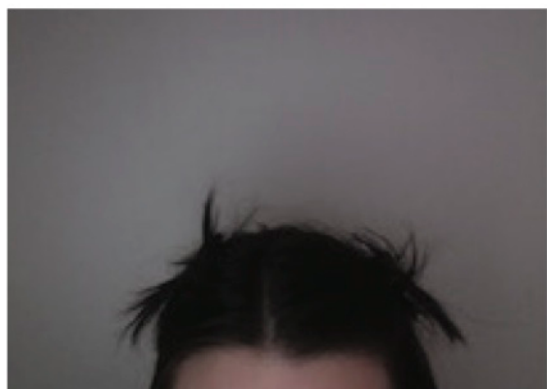

are

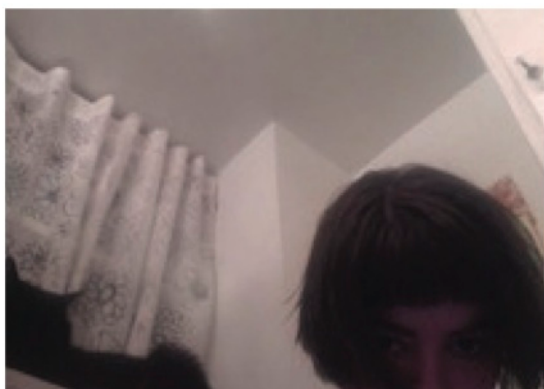

reminded

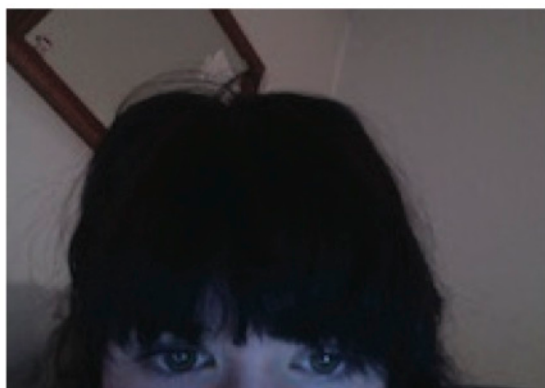

that

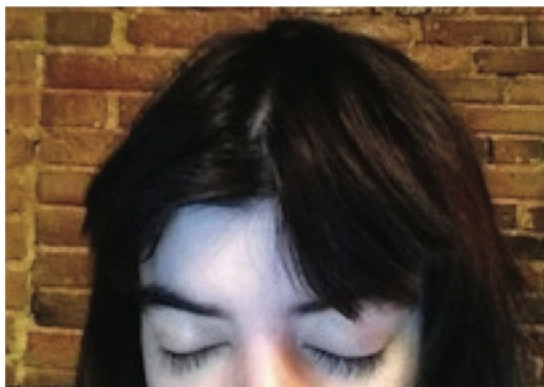

you

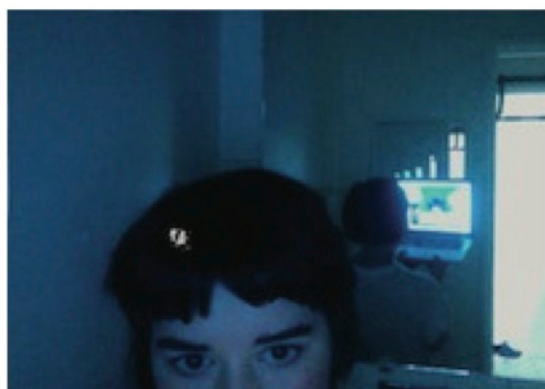

are

always

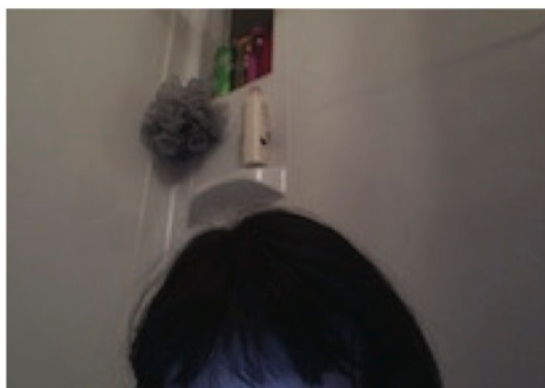

working

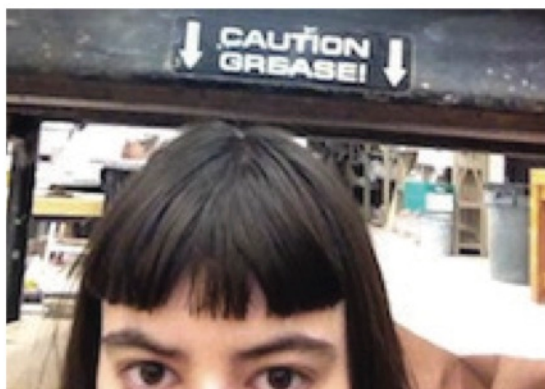

on

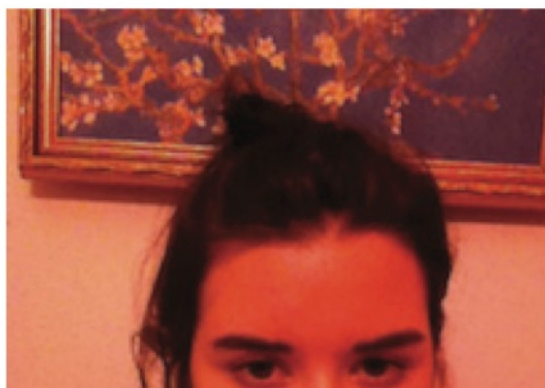

something,

and

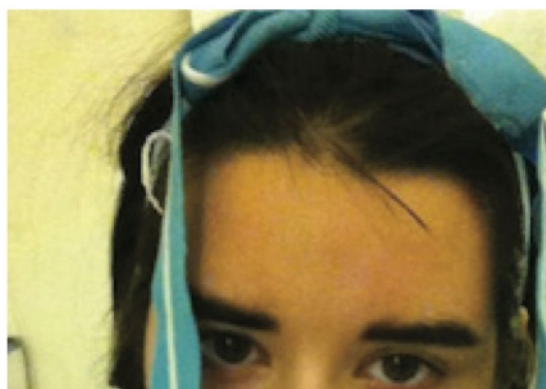

it

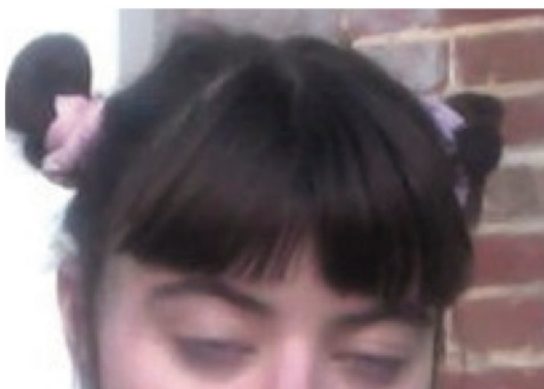

shows.

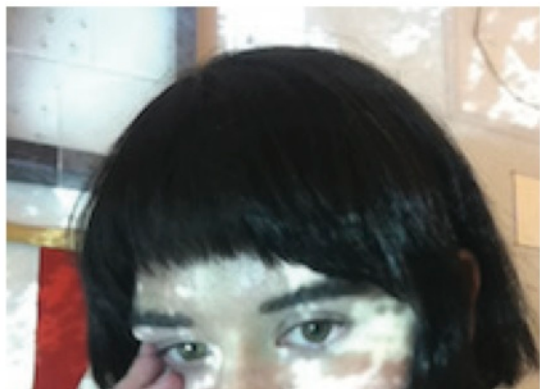

You

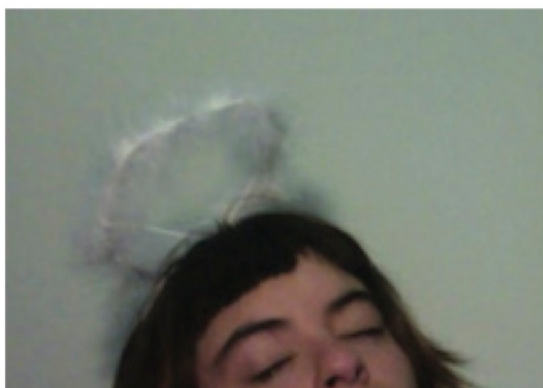

have

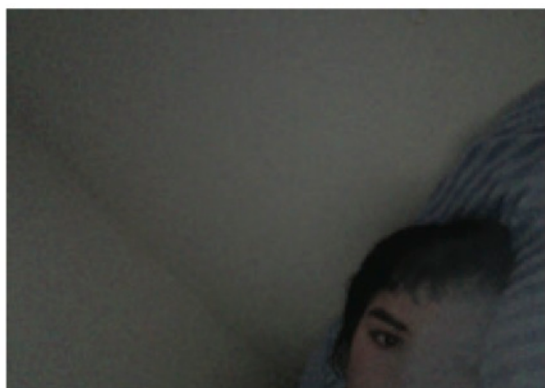

been

busy.

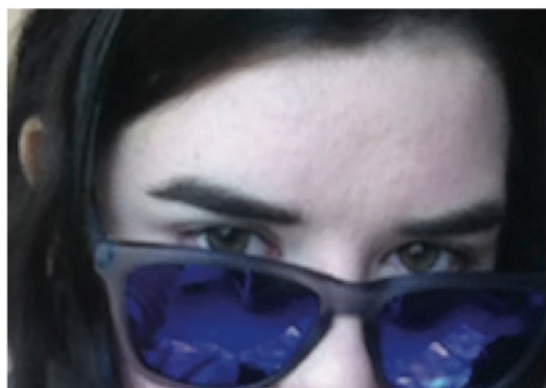

You

aren't

a

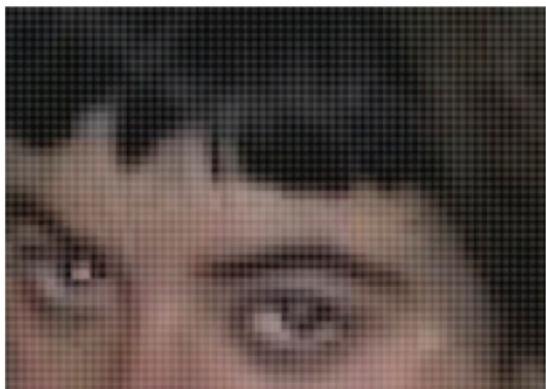

complete

piece

of

shit.

the way your bangs have grown out every day
now for 6 months until Monday when you
were finally able to put it all in a ponytail.
