

CrusherClan Issue #1

A new start for CrusherClan!

Only 28 days to go till CrusherClans 1st anniversary. Over time we had a lot of active and inactive times, but the Guilds still here and we are about to grow again!

I am very proud to announce that we do still have some of our oldest Members in the Guild which have been with us for 8+ months. They have supported CrusherClan up to now and continue to do so, therefore a special thanks to all of those!

CrusherClan and its top highlights!

Ash / Ericaz – After nearly a year at CrusherClan, he has finally rolled a PD! Well done on that one!

Roger / Alfucum – has taken over the Leadership of CrusherClan (since the Guild has dropped about 60 Ranks)...

CrusherClan – has a total of 10 Elite members which have already donated 10k+ shards to the Guild. A special thanks needs to be given to Alfucum, ZeusWillCrushYou and E-Feezy who have donated over a 30'000 Shards to CrusherClan!

Sheleyshel – A newcomer to the guild joined a few weeks ago and already smashed the 10k shard limit! What an input!

Boss fights – Where once we barely defeated Boss 2 many can now solo Boss 3!

I have an answer to a question you have not asked and it has to be what is your funniest guild moment.. now this goes to you Shel. this was when i explained at great length how to increase her might.. so she proceed to spend x amount (i wont embarrass you by saying how much) gems and shards to get her might up by about 3k to return later to find it had gone back down... She was puzzled!!! until i asked her if she had by any chance consumed her newly increased heroes... The answer was OH I MUST HAVE DONE..

Feedback and notes to clan.

well firstly, welcome new members. Next I would like to say thx to zeus and feez for helping me run the guild. next it's got to be our top 10 donators.. our top 10 are now all elite.. We are a really diverse guild with members from all over the globe and everybody fits in well. thx, Shel for your help with LINE chats and helping others out as well, plus your great donations in such a short time. you as well mick and himez. It's great to see the guild gelling together and not just having 50 lone players. That's why we are a team that works well. I would also like to thank steve(zeus) for his dedication.. he actually went on a luxury holiday with wife" and played cc for most of it!!! that's dedication lol..

That's about it.. regards Alf

Behind the scenes:

“Hi Alf, how things going at CrusherClan?”

“Oh hey Daf, pretty busy with all those new noobs in the Guild”

“I don't think you should talk like that about our Guild members Alf!”

“Daf, look at them, for example this newbie shel, still thinks I see potential in her, haha what I see are good shards flowing in. 2nd zeuswillcrushyou .. what can I say just my bi..., I give him second in command and he does all for me while I do nothing. Mic jr .. yea helps out but does not know that I am just using him to get the rest done. Himez, possible my next vice bi...☺ hahaha yea you see all noobs thinking they gaining ranks but actually...”
