CARFAX Price Adjustment™

Accidents, service records, number of owners and many other history factors can affect a vehicle's value. The CARFAX Price Adjustment is a tool that analyzes millions of used car transactions to measure how the combination of all the information reported to CARFAX affects the value of a particular vehicle. The vehicle's retail book value plus the CARFAX Price Adjustment will give you a more accurate measure of the vehicle's value. Use this tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

This checklist utilizes information from your CARFAX report to help you make an informed used car purchase.

General Questions

Is the car still under manufacturer warranty or is a warranty available at the time of purchase?

Has the seller accounted for the CARFAX Price Adjustment in their asking price? Use the CARFAX Price Calculator to compare.

Test Drive and Visual Inspection

Turn on the ignition without starting the car. Do all the warning lights and gauges work?

Ensure the airbag light appears momentarily and goes out upon starting the vehicle.

Is the odometer consistent with the last reading of 48,500 on the CARFAX report summary above?

Do the tires appear to be in good shape and without uneven wear?

Test all internal controls. Do all lights, turn signals, windows and the heater and air conditioner work?

Mechanical Questions

Are the brakes and other safety equipment in good working order?

Does the vehicle appear to have been well maintained?

When should you schedule the next regular service?
