Subject: New TESA Group management

Dear Partner,

We wish to inform you that Mr Stefan Ruh has been appointed Managing Director of the TESA Group with immediate effect.

Prior to this appointment Mr Ruh was head of the Vision product line within Hexagon Metrology. Having successfully held several other positions in the wider organisation, he is very familiar with the TESA business model and its products. He brings with him a wealth of experience across many disciplines including manufacturing, sourcing and finance, as well as strategy and general management.

Mr Ruh is keen to further reinforce relationships with our key partners. He is looking forward to meeting you in the near future to discuss in person the continued strengthening of the TESA brand and the development of the TESA Group.

Please don't hesitate to contact us with any questions you might have.
Best regards

Norbert Hanke
CEO Hexagon Metrology
