6	25	Nisha	3:32 PM	2:22	L651C near jenn/BB/ WHS/adnan's	In 99, cell service providers commonly charged from the moment you hit Send to the moment you hit End, regardless of whether the other end picked up. Nisha's home phone had no answering machine, thus the phone would ring endlessly until the caller hung up. Jay butt dials Nisha (who is on Adnan's speed dial) and it rings until Jay realizes and hangs up.
7	24	Phil	3:48 PM	1:25	L651A near jenn/BB/ WHS/adnan's	After meeting Roy in the best buy parking lot and being shown Hae's body, Jay calls his friend Phil. (Looking for help disposing of the body? Possibly Phil was involved? Could be anything)
8	23	Patrick	3:59 PM	0:25	L651A near jenn/BB/ WHS/adnan's	(See above) Same type of thing as the Phil call. Or could be to buy weed so he could get Adnan high.

Cathy hears him say "how do you get rid of a high" -- then a phone call from unknown person (maybe Yaser?) in which Cathy hears Adnan nervously say something like "I have to talk to them" / "what do I say" -- could easily be talking about his family, as he's very high and about to go to the mosque
17	14	incoming	6:24 PM	4:15	L608C near Cathy's apt	In first interview Jay says they are "getting food" when officer calls Adnan about Hae. Cathy never mentions hearing this phone call.
