Hidden Forest

11248 Home Place Lane

Light filled brick ranch is situated on almost 1/2 acre with incredible landscaping, oversized deck and 2-car side load garage! The split bedroom floor plan features beautiful hardwoods, custom plantation shutters, cathedral ceilings, heavy moldings and a bonus room or 4th bedroom over the garage. You'll love the large master suite with double tray ceiling and luxury tiled bath! This well maintained home has new A/C, new gutter guards and full irrigation system. Hidden Forest is conveniently located just minutes from both Mint Hill & Matthews, shopping, restaurants and I-485 access.

Covered front entrance with side lights and transom windows welcomes guests into the wide foyer with crown and chair rail accent and oil rubbed bronze pendant chandelier. Beautiful hardwoods accent the foyer, dining room, kitchen, breakfast room and hallway. A decorative column frames the elegant dining room with arched window, crown and chair rail moldings and decorative chandelier.

Wonderful open great room boasts a cathedral ceiling, lighted ceiling fan and pass-through window to the kitchen. Cozy gas log fireplace has a decorative wood mantel and surround. Well equipped kitchen offers raised panel maple cabinets with Corian countertops and tile backsplash.

Contrasting black appliances include dishwasher, built-in microwave and smooth top range. Cheerful breakfast room overlooks the deck and has a wrought iron chandelier.

A double tray ceiling with crown molding and lighted ceiling fan highlights the inviting master bedroom. Luxury bath features tile flooring, double cabinet style vanity, garden tub, separate shower, private water closet and large walk-in closet.

In this split bedroom plan, bedrooms 2 and 3 are located off the foyer hallway. The front bedroom has an arched window, cathedral ceiling, lighted ceiling fan and double closet. Bedroom 3 has overhead lighting and double closet. The guest bath has tile flooring, cabinet style vanity and tub/shower. Bonus room over the garage offers the flexibility of a 4th bedroom, home office or playroom and has a lighted ceiling fan, double closet and walk-in attic storage.

Relax outdoors on the oversized deck! Park-like yard features meandering paths, natural areas, lush landscaping and mature shade trees. This well equipped home features a 2-car side load garage with additional parking, security system and full irrigation system.
