Dear Abbe,

Thank you for sending me a copy of the first Babcock Hall Dairy Plant Annual Report which you produced this summer. It is obvious you put a great deal of time and effort into this report. Congratulations on an outstanding finished product!

Your report is a tribute to the dairy plant's operation and delicious products, and is a wonderful example of the Wisconsin Idea in action.

I hope your fall semester is off to a good start. Best wishes for continued success.

Sincerely,

Biddy Martin
Chancellor
