### **Analyzing Data:**

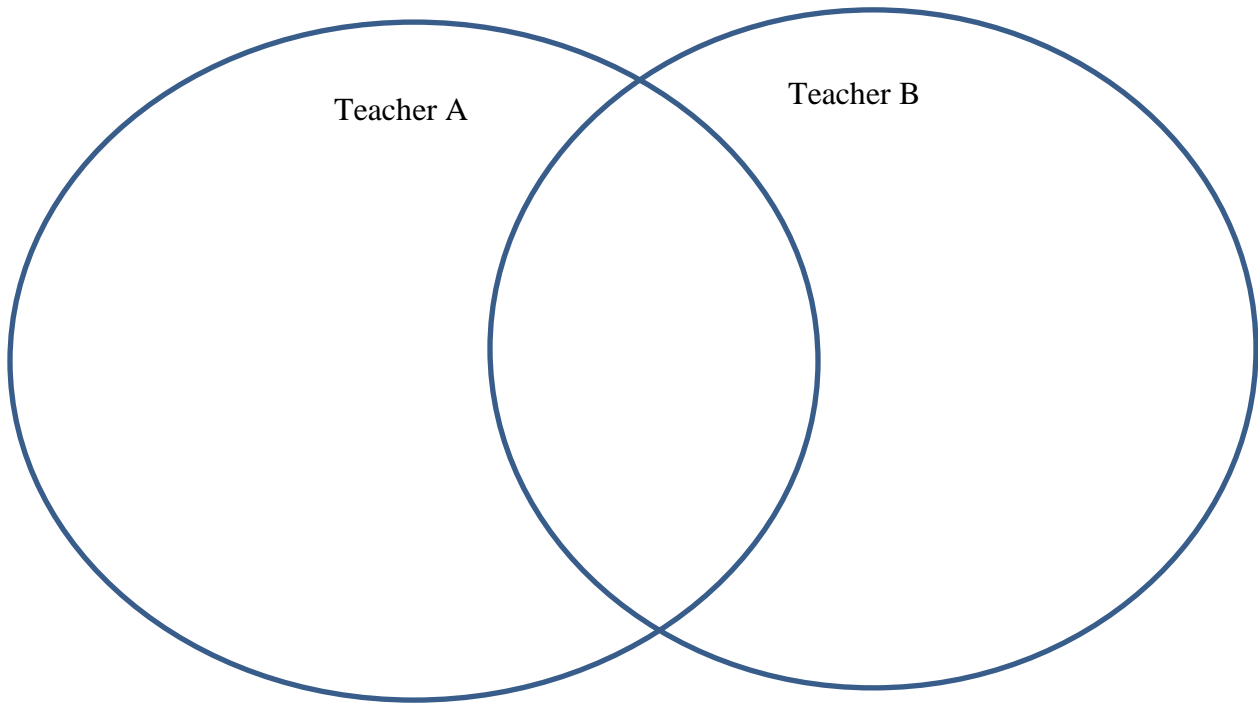

Objective to be discussed:\_\_\_\_\_

What was your goal for this objective?

Did you meet it? Yes\_\_\_\_ No\_\_\_\_

If no, what can you do to revisit the material?

**Teacher Share:** Compare and contrast the activities you completed with your students that helped them learn the objective

**Planning:**

- 1) What is the next objective you would like your students to master?
  
- 2) How will know the students learned the material?
  
- 3) What will you do if they don't learn it?
  
- 4) What can you do to extend on this topic?
