

Dear _____

Welcome to 'Sticker Club'!

Please send 1 pack of stickers to the person listed in the #1 spot below. Next, move my name to the #1 spot and put your name in the #2 spot. Then, send it to 6 friends.

If you cant do this within 8 days, please let my mom know. Otherwise, it's not fair to all the others who are participating. Within 2 weeks you should receive 6 packs of stickers!! It's a load of fun and exciting to see where all your stickers come from! And it's always nice to get mail.

Good luck and thanks for participating in 'Sticker Club'!

Your Friend,

#1

#2

PARENTS:

If you can, please take the time out of your busy schedule for this cute project with your kids. It's worth it to see their smiles when they open their mail.

There is a blank letter for you to copy (before you write on it). Make 12 copies, 1 for each of the 6 kids you are sending it to and 6 more so that you can include a blank copy for each of them.

You only need to buy 1 pack of stickers and mail it to child #1.

This project is cheap and easy so have fun with it. ☺
