BRAUN

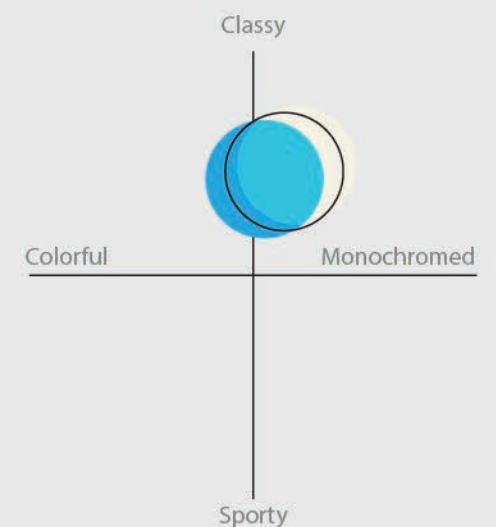

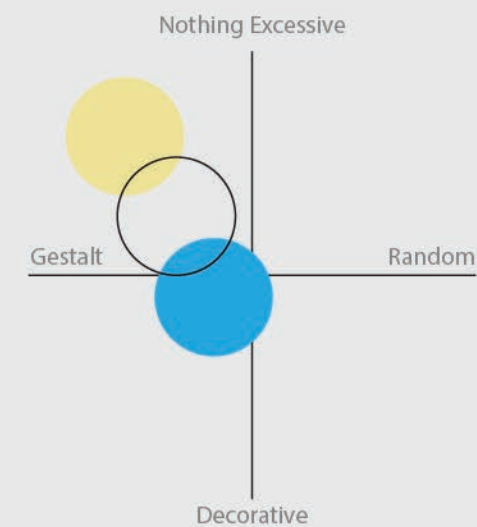

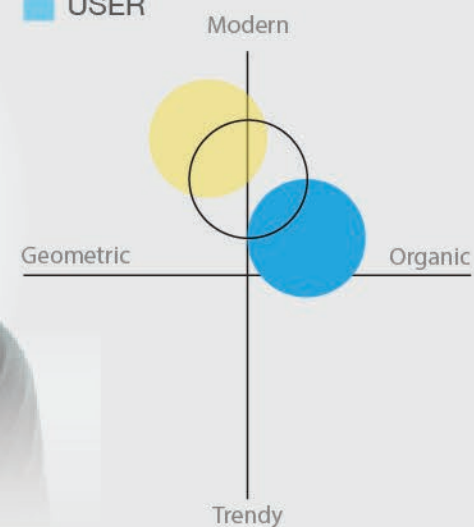

ikaz Design Sponsered Project.

*Purchased thermometer when the need became apparent.

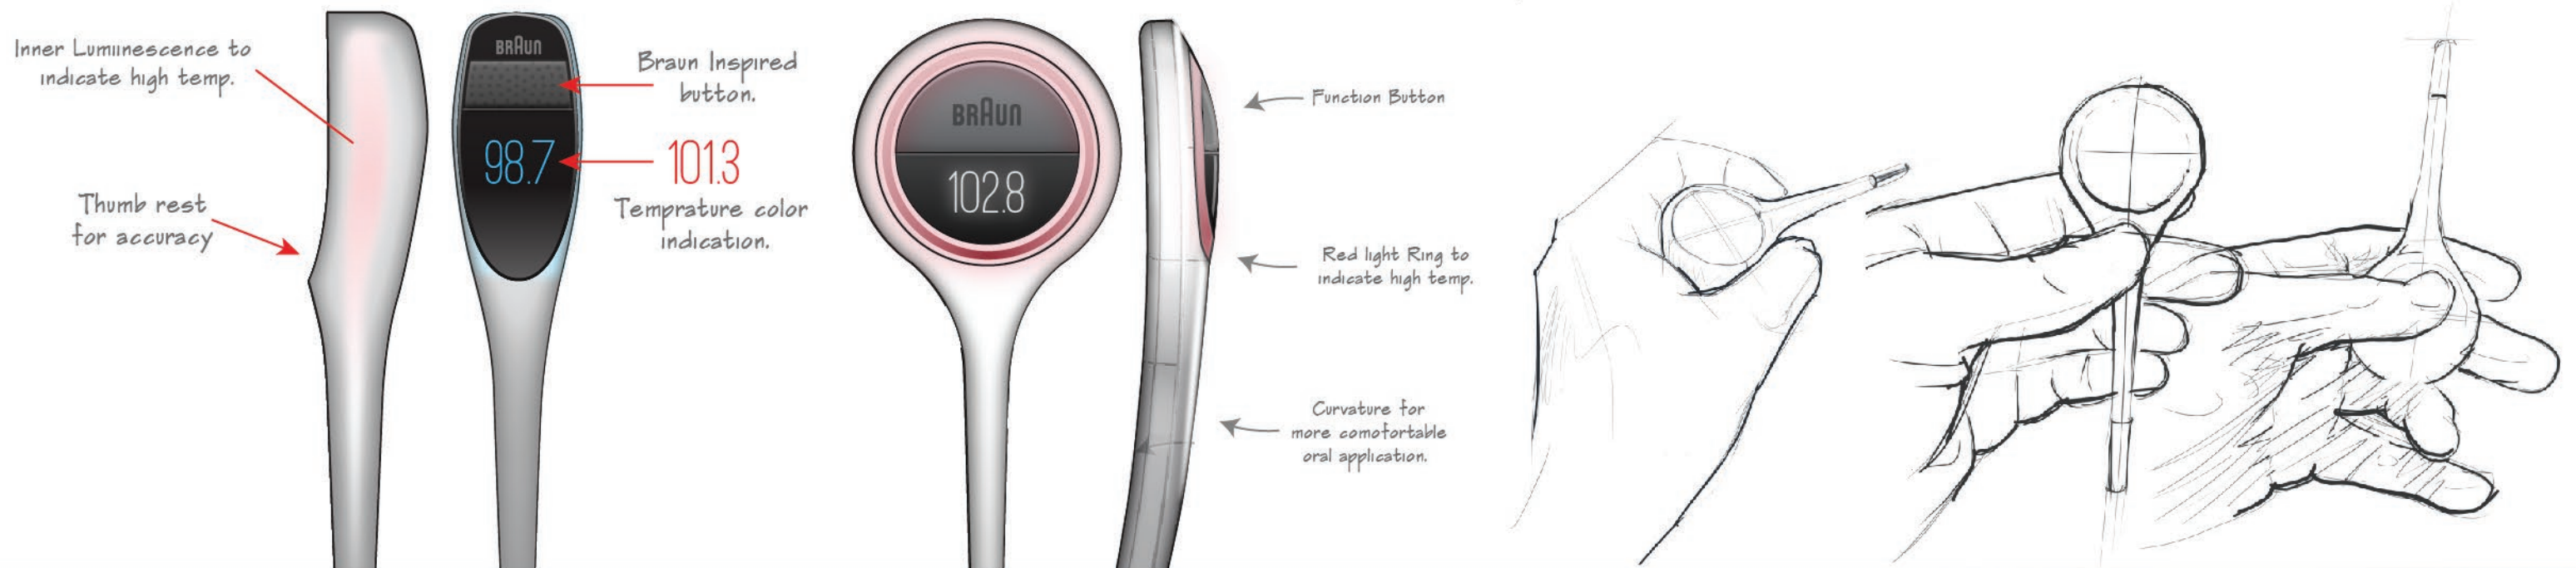

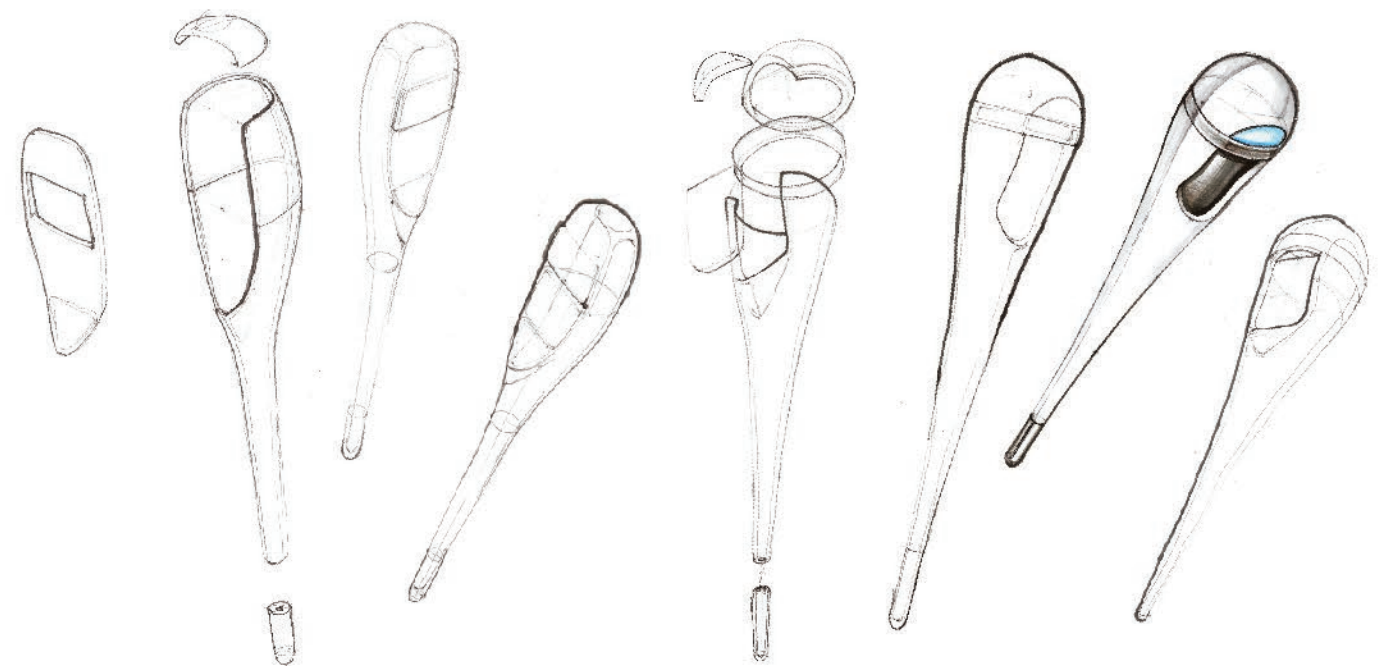

BRAUN
USER

STRENGTH OF PURE

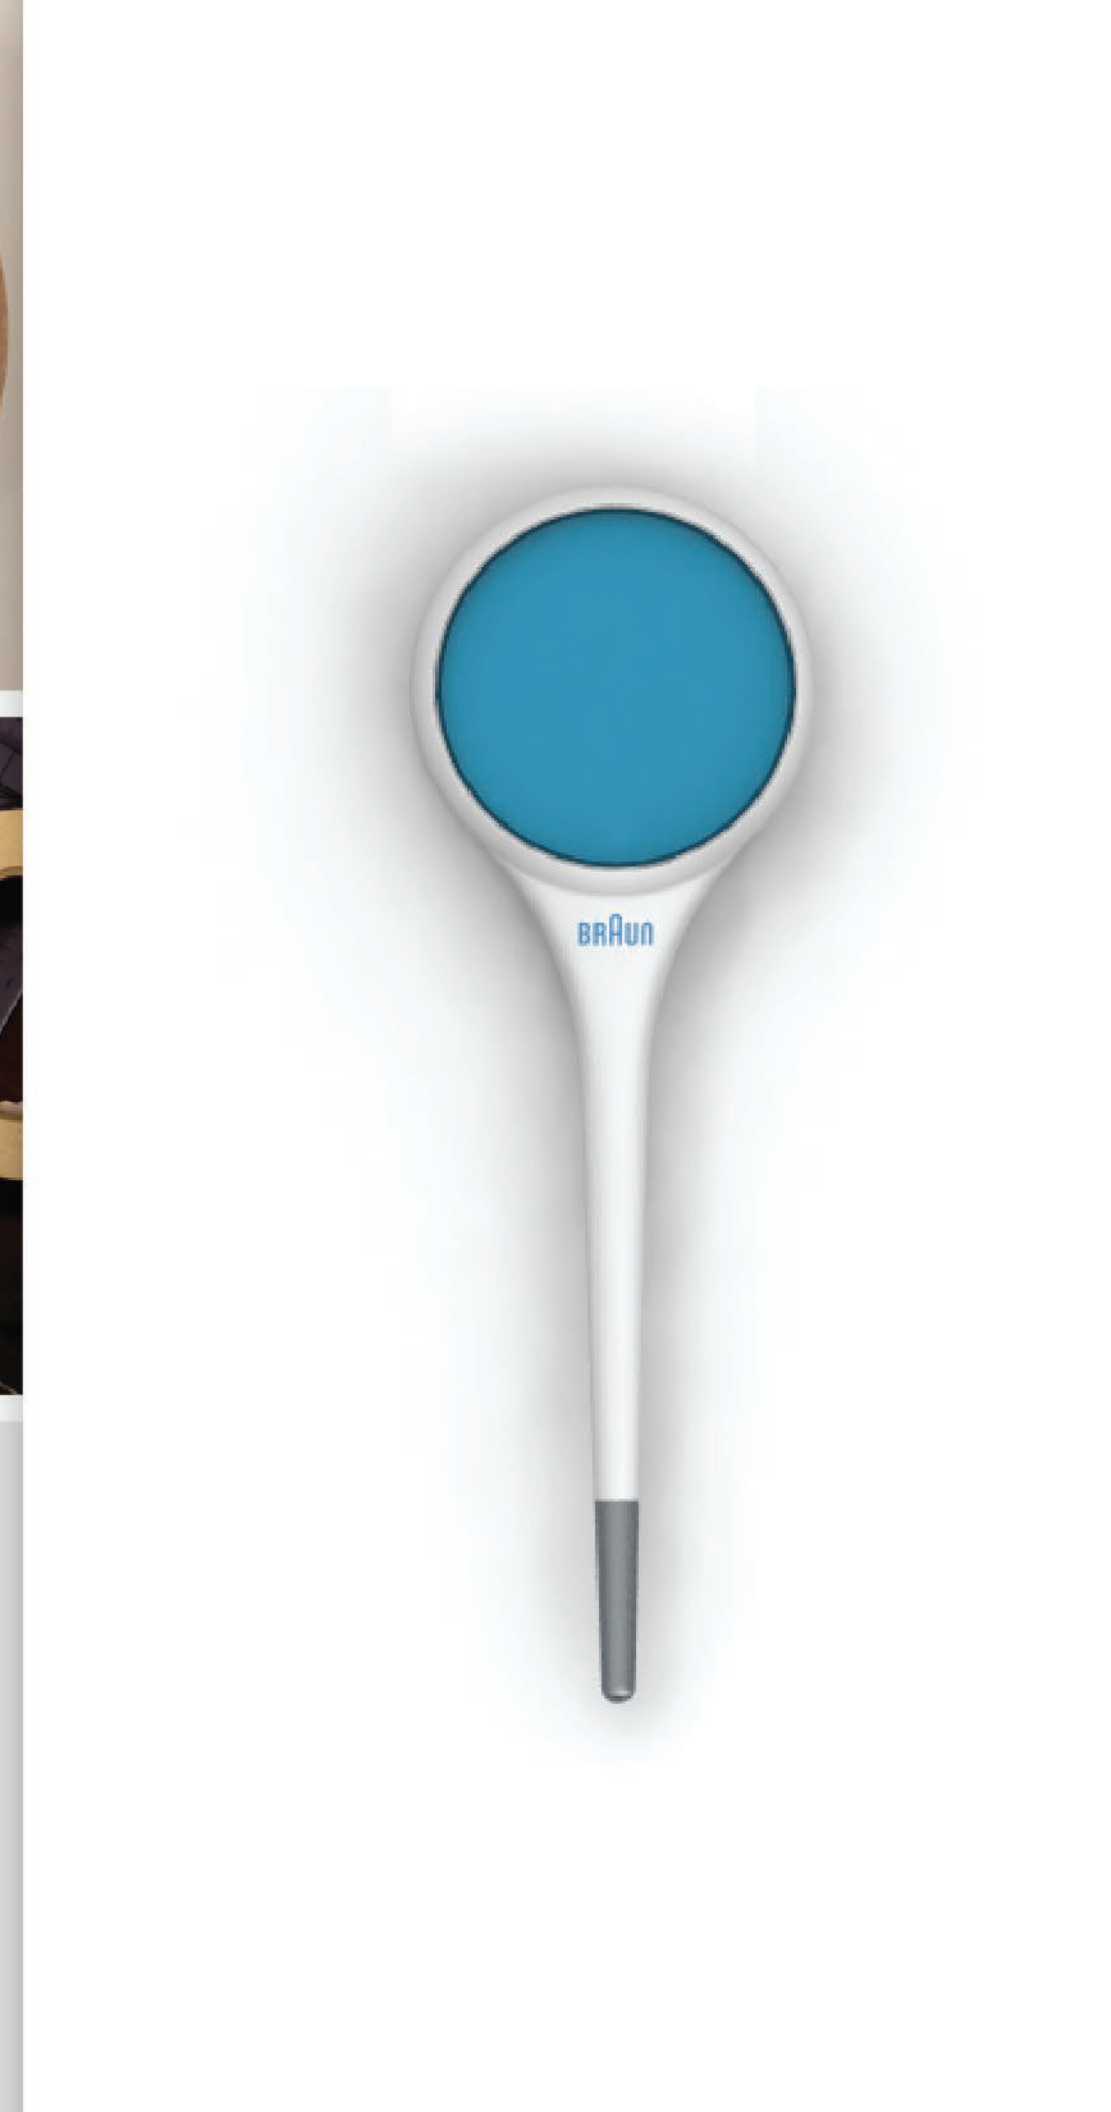

"Radically reduced forms"
"We take our cue from earlier Braun design, but translate it into the present day"
"Appliances that are readily comprehensible and superbly functional down to the smallest detail."

Function when you need it.

Designing for real life scenarios.
Simple light indication to communicate severity of temp.
Also unobtrusive when necessary.

BOSS

HUGO BOSS

Project Objective:
 Design a new sport watch incorporating BOSS Orange watch codes and iconic design elements with upcoming watch and fashion trends. Inspired by the Sao Paulo & New York watch family. Sporty, bold, impactful everyday watch.
