## NATIONAL CONSUMER PANEL 2013-2014 GIFT CATALOG

The National Consumer Panel Gift Catalog is filled with a wide variety of gifts for you to choose from when you are ready to redeem your gift points! Please take a few minutes and look through the catalog. You'll see it's divided into gift sections based on point values. Each gift has an Item Number followed by its point value.

### How Many Points Do You Have?

Your current gift point balance can be found at [www.ncponline.com](http://www.ncponline.com). Please review your gift point balance before ordering a gift.

### Placing An Order From This Catalog

Just follow these simple steps:

1. Find the gift you would like to order. Please note the gift's Item Number and point value.

**Important: If you want to send a gift to another address please call the Panel Support Center at 1-800-962-6700 to place your order. Otherwise, it will be shipped to the mailing address we have on file. Gifts cannot be shipped to a P.O. Box address.**

2. Get your scanner ready to answer a survey.

3. When the scanner's screen says: **SCAN SURVEY NUMBER**

4. Then, go to the page of the gift you wish to order. Scan the barcode at the top corner of the left page. **Note:** You must scan this barcode before scanning the barcode of the gift you want to order (even if you're ordering a gift from the opposite page).

5. Now scan the barcode for the gift you want to order. Your scanner's screen will then say: **END OF SURVEY**

6. Transmit to place your order. You can transmit your order along with your weekly transmission. Gift ordering works like a survey, so be sure to look at your scanner's screen after you've transmitted to confirm your order was sent.

### Ordering More Than One Gift?

Provided you are an active\* panelist and have enough gift points, you can scan and transmit more than one gift order on any given day. However, if you are ordering two or more gifts, you need to scan and transmit the first gift, then start completely over and scan and transmit the second gift, etc.

### Placing An Order Online

It's quick and easy to place a gift order online!

1. Log on to [www.ncponline.com](http://www.ncponline.com) and then select the "Rewards" tab.
2. Click on the "View & Order Gifts" link on the left-hand navigation bar, and then click on the **Gift Catalog** link. The online gift catalog is frequently updated and will always have the most current selection of gifts. It also enables you to track the status of your gift.

Your gift should arrive six to eight weeks from when you placed your order. If you placed an order from this gift catalog and would like to inquire about your order status, please call the Panel Support Center at 1-800-962-6700.

**This Gift Catalog is valid through December 31, 2014. Please keep this catalog with your other National Consumer Panel materials.**

**Note:** All items listed in the Gift Catalog are subject to change based on availability. The National Consumer Panel reserves the right to substitute a gift of equal or greater value at NCP's sole discretion. If you can't access the website to check your current point balance, or there's a problem with your gift, please call our Panel Support Center at 1-800-962-6700. You have 30 days from when you first received the gift to report a problem. After 30 days, you will need to contact the gift's manufacturer directly for further assistance. We cannot accept a returned or damaged gift after 30 days. Gift points expire 60 days after panel membership has ended.

\*To be deemed an "active" member of National Consumer Panel, a member's status in our database is considered "active," member has not given NCP notice of termination and member has not been given notice of termination from NCP.
