Western European Explorer

From Harwich set sail to the coasts of France and Cherbourg – for iconic sights such as Mont St Michel, the Bayeux Tapestry, and the poignant Normandy Beaches. Home of the Tower of Hercules lighthouse (now a UNESCO site), the attractive city of A Coruna also offers tours to the holy shrine of Santiago di Compostela. Explore the twisting medieval streets of Leixoes, or taste the region's famous Port wine on a trip to nearby Porto. Scale the rock of Gibraltar and meet its famous residents – or head for an afternoon tea at the elegant Rock Hotel. Cadiz is gateway to beautiful Seville, set among fragrant orange groves. It's also near to Jerez de Frontera – sherry capital of the world! Finally two days and an overnight in Lisbon offer ample time to explore this fascinating city and perhaps enjoy an evening of Fado and Portuguese cooking.

Our **Food & Wine** theme will mean an extra focus on the regional cuisine and wines of the places visited on this fascinating cruise. Discover the history of Port, or taste Sherry at its home in Jerez de Frontera. Enjoy fresh seafood in Normandy, Paella and Tapas in Spain or tasty Portuguese specialities. Our experts will also bring the culture of the regions to life while you are onboard ship with wine tastings, folklore and local delicacies.
