Having rescued Princess Leia from the Death Star, Han Solo's fight is over. He is about to leave with his reward when is visited by a wise old man.

INT. REBEL BASE - DAY

Han Solo stuffs a few rebel bath towels and bars of soap into his space age duffle.

HAN SOLO
"May the force be with you?" What a dork.

We freeze frame on him. On the screen - "Han Solo, played by Harrison Ford."

Han zips up the bag and slings it over his shoulder.

VOICE (O.S.)
Hey, schmuck, hold up.

Han stops. Crap, he found me. Loud SIGH.

A short, rotund, bald man in robes, staggers into frame, breathing heavy, clutching his chest.

HAHN SOLO
Didn't you hear me Making me run after you! Do I look like, Jesse Owens?

HAN SOLO
Sorry, Dad.

Another freeze frame. On the screen - "Hahn Solo, played by Don Rickles."

HAHN SOLO
What's this fakakta nonsense I hear about you leaving?

HAN SOLO
I'm sick of these losers. All they talk about is, "The Force," this, the, "Rebellion," that, who gives a crap? Do you know how long it's been since I've gotten laid?

HAN SOLO (CONT'D)

Let me tell you: It was a long time ago, in a galaxy far, far away.

HAHN SOLO

What about that seven foot dog thing?

HAN SOLO

Chewy?

HAHN SOLO

I thought you were screwing THAT. I mean, why else would you have it around?

HAN SOLO

I don't...I mean. Chewy is a dude...I think.

HAHN SOLO

I did one of those things once. Had a goddamn a flea circus on my ball.

HAN SOLO

Dad!

HAHN SOLO

Just listen, hickey puck, you're not screwing this up for me. You're going to turn around, go back to those morons and nail that little bagel haired goyum princess.

HAN SOLO

But Daaaad-

HAHN SOLO

I don't want to hear it! Do you know how much money she's worth? You think they call her Princess because she gives handies to protcol droids in the alley for five space bucks? No, she's loaded and I want a piece of that.

HAN SOLO

I don't even like her.

HAHN SOLO

"Like her?" Oy vey!

Hahn gently puts an arm around his son.

HAHN SOLO (CONT'D)

Son, sometimes we have to do things we don't want to, that's called, "Life." And sometimes we have to slip the goy princess the old Solo schlittle, that's called, "Putting food on that table."

He slaps Han on the back of the head.

HAHN SOLO (CONT'D)

Got it, shit for brains!

HAN SOLO

Ow!

HAHN SOLO

Now go back and say "I made a mistake, I want fight for the Empire."

HAN SOLO

Rebellion.

HAHN SOLO

What?

HAN SOLO

Rebellion, "I want to fight for the Rebellion."

HAHN SOLO

Rebellion? Empire? Who cares? Just go back there and sweet talk that wasp and she'll spread just like the Red Sea did for Moses.

HAN SOLO

I don't know.

HAHN SOLO

Come on all hard and cool. Those prissy bitches soak their panties over the bad boy types. Play rough and she'll bend over like Ned Beatty.

HAN SOLO

I think she digs that Luke guy.

HAHN SOLO

Listen schmendrick, those two ain't going to be doing shit. They're brother and sister.

HAN SOLO

Really! How do you know that?

Hahn throws up his hands, rolls his eyes.

HAHN

Who doesn't know that? Listen, don't worry about that kid. He's got serious Daddy issues. His Father is Darth Vader.

HAN SOLO

Darth who?

HAHN SOLO

Have you been paying attention at all? He's the shit heel in the black helmet.

HAN

Oh...

HAHN SOLO

Let's keep this simple, Einstein. Go back, bang her, get her money.

HAN SOLO

Then I can pay off Jabba the Hutt?

Another slap to the back of the head.

HAHN SOLO

Jabba the- Tell that fat turd to suck your balls. We're opening a titty bar on Rigel Six.

HAN SOLO

Awesome!

Hahn slaps his son on the back.

HAHN SOLO

Get in there, kid. And don't come back without the cash, comprende?

HAN SOLO

Got it, Dad.
