

AVENUE FIVE INSTITUTE

Thank you for inquiring about Avenue Five Institute!

I am thrilled that you are interested in our school!

We offer Cosmetology, Esthetics, and Massage Therapy Courses. We also anticipate offering a makeup course this summer! I invite you to explore our website where you may find helpful information about courses, start dates and tuition.

The first step to enrolling is to schedule a tour of our campus.

You can call me directly to set up your tour at:

Call 512-968-2835 Ext 116

Or Email me at:

Lindsay@avenuefive.com

Please make time as the tour may take up to one hour. During the tour all of your enrollment questions can be answered. We accept financial aid so you may apply at FAFSA.GOV and select our school from the drop down menu during this process so that arrangements can be made for different payment options. You can work on your FAFSA as soon as you would like.

Once we have toured, we will be able to prepare you for enrollment.

I cannot wait to meet with you and hear your story!

Best Regards,

Lindsay
