

Hello, my name is Alex Harris.

I hold a bachelors in video production from Southern Oregon University. I've worked in freelance production as a Bouncer, Boom Op, Grip, and PA since graduating.

I own a reliable car, possess a valid driver's license, and am a physically fit young man with a relentless work ethic. I am a tech savvy person with a working knowledge of pre-production, production techniques, and post production software.

As an employee I am fast, thorough, effective, cordial, and typically go above and beyond what is expected of me. I don't get frazzled or flustered and maintain a great attitude even in a busy high-pressure environment.

I feel I can be a flexible asset to any team of professionals.

My resume is attached, thank you for your time
