

Game Server Rules

These rules are subjected to change at any time. These rules apply to the appropriate game server. If you break any of these rules, an appropriate decision will be made by the staff. If you received an unfair ban, you may post an unban request (ban must be longer than 12 hours). All these rules apply to staff as well.

Vanilla MineCraft Private Server –

1. No Griefing.
2. No Stealing.
3. No Excessive Swearing.
4. No killing, unless it's a dual.
5. No cheating or hacks (instant ban).
6. Act mature.
7. Respect staff.
8. Respect players.

Public MineCraft Faction Server –

1. Do not hack.
2. Do not threaten to attack our servers.
3. Do not target an individual for their race, religion or culture.
4. Do not excessively target a person.
5. Respect all staff and their decisions.
 - a. If you feel like a staff member is abusing or being biased, you may post an administration abuse thread following the proper format.
6. Do not use an x-ray texture pack.
