

GET TO KNOW US A LITTLE BETTER

When Elam Esh began in 1990 building furniture for a neighbor's manufacturing shop, he studied furniture journals and built his own designs in his spare time. Soon, demand for his design led to a start-up business in a barn on his father's farm. At the suggestion of a friend, Elam found that his interest in balance and perception was a good match for the clean lines of Mission and Shaker style furniture. Over twenty years later, the Christian morals and hard work ethic of growing up on the farm continue to be the guiding principles behind the Country Classic Collection, delivering strong value and honesty in both our designs and relations. Today, the Country Classic Collection continues to grow with a beautiful selection of Mission, Shaker, Contemporary, and Modern styles, Amish handcrafted in the heart of Pennsylvania Dutch Country.

WE STAND BEHIND WHAT WE BUILD

Our Promise To You

- » We promise the handcrafted furniture you purchase is free from defects in material and workmanship for the life of the product.
- » We promise that, if the furniture should fail as a result of defective workmanship, we will repair it or replace it with the same or similar piece of furniture.

What We Hope You Never Have To Do

» In the event you need to make a claim, we're always here to help. Simply contact the store that you bought your furniture from, and we will make things right.

CUSTOM, LEAN AND AGILE

Although we build furniture, the reason we are here is to serve you. We are a customer satisfying business that embraces lean techniques (doing more with less) by constantly eliminating waste and making the best use of our precious resources. With both our time and materials, we are able to achieve that goal by continuously delivering more value for less. Because of these innovations, each piece is built to order specifically for you. You can choose between many different colors, hardware and wood species as well as change sizes on any piece to make it longer, higher or wider. You can even add drawers or doors to get exactly what you want. We've worked hard to be better able to satisfy you, so go ahead and customize it to fit your needs!

CLASSIC

O COLLECTION

IMPORTED FROM ABSOLUTELY NOWHERE

The American Classic Collection presents furniture in the Shaker tradition, known for its beauty and functionality. The Shakers rejected the notion of decorating a table with curved feet or inlay, preferring to build tables with sturdy legs and tops. Our craftsmen have the same commitment to honest and pure design that inspired the Shakers to build such furniture.
