What is included in the rental Price?

The price includes set up and take down for the event. We can set up on a Thursday or Friday so you have plenty of time for decorating. Then we can take it down on Monday allowing for time to clean up.

Is my area large enough for the tent?

First add 10 ft. to the length and width to allow for the stakes. The tent will perform better if it's on flat level ground. Be sure to let me know if it's going on grass, gravel, or asphalt.
