

This comic is a semi-autobiographic tale about two girls saying good bye. There are also dinosaurs.

# the economics of DINOSAURS

by Amy Hudkins

# the economics of DINOSAURS

I don't understand why they can't just pick a song, man.

I don't see why Jae Lee wants to play Gangnam Style so bad.

Imagine,

Somewhere on the mainland,

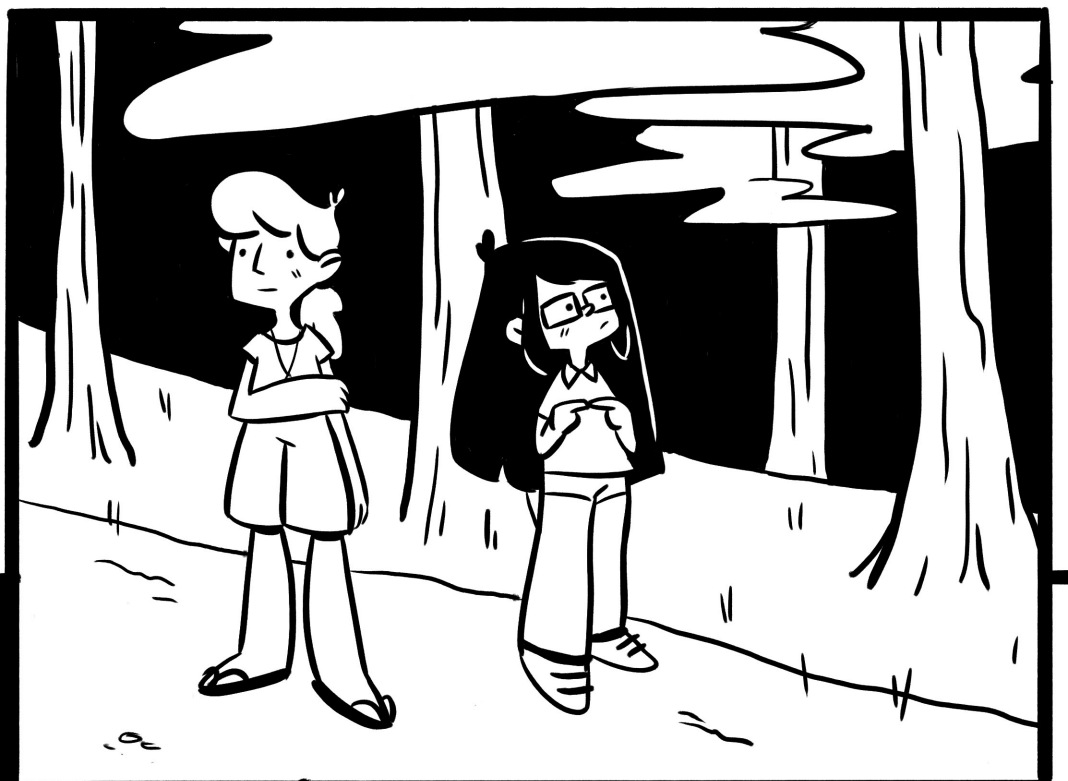

there are thousands of white people dancing to this song at once.

Oh God

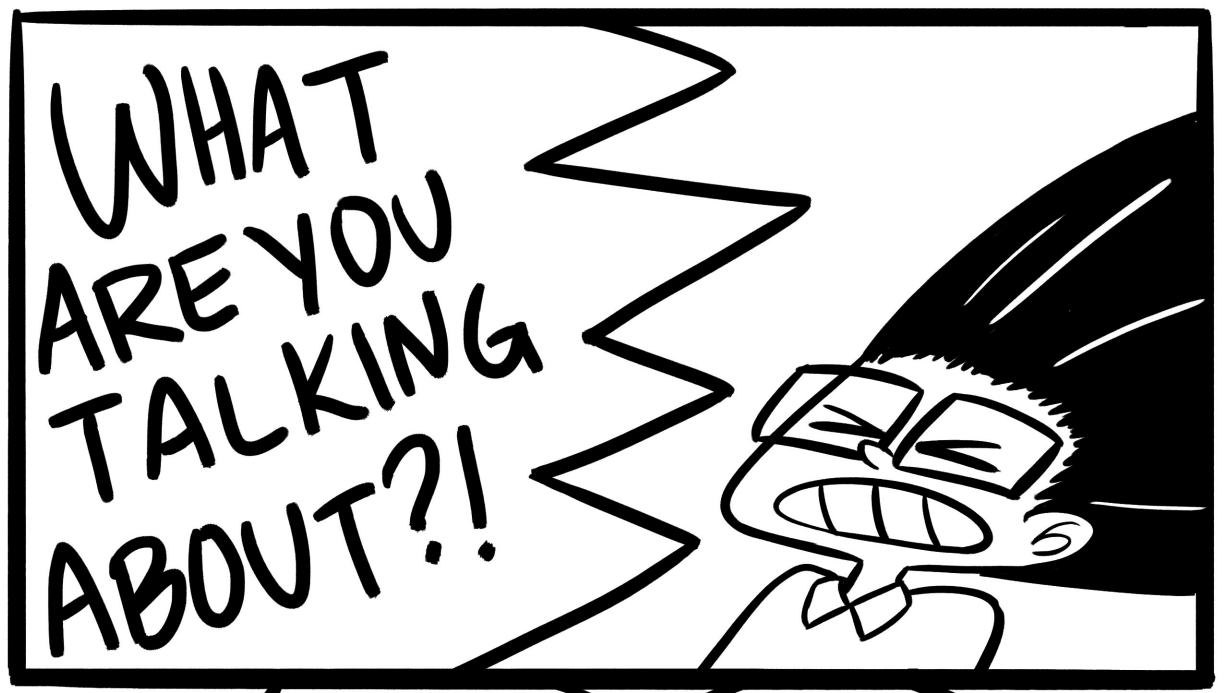

You'll be right at home.
