

MISSING

Savannah Catherine Gattis

March 4, 2015

Rockdale County, GA

19 yr. old

White

Female

5'4" tall

120lbs

Hair possibly cut shorter and/or dyed.

Savannah has been diagnosed with multiple disorders that give her the mindset of a child, making her very vulnerable and easily influenced by others.

It is believed that she left with an unknown male that offered her a modeling opportunity. Her last known location is believed to be somewhere in Tennessee, but she may be headed to Pennsylvania.
