

TRAVEL HACKATHON 2015

WHAT THE HACK?!

WHAT IS A HACKATHON?

IT IS AN EVENT THAT USUALLY LASTS FOR A FEW DAYS WHEREIN PROGRAMMERS GATHER TO CODE COLLABORATIVELY.

WHAT THE HACK?!

TRAVEL HACKATHON

It is a hackathon open to all students in the Metro to display their talents and skills in programming. They are tasked to design and to build an interactive learning game/application about tourism. They can create a program that could let users make reservations online, or travel planner, to name a few.
