HOW IT SUPPOSED TO WORK IN CT

Freedom of Information Commission

Connecticut The Constitution State

HIGHLIGHTS OF THE FREEDOM OF INFORMATION ACT (Be Sure To Consult Statutes)

PUBLIC AGENCIES

**YOU HAVE THE RIGHT TO OBTAIN RECORDS AND
ATTEND MEETINGS OF ALL PUBLIC AGENCIES - WITH
CERTAIN LIMITED EXCEPTIONS.**

This applies to

-State and local government agencies, departments,
institutions, boards, commissions and authorities and their
committees.

-Executive, administrative or legislative offices, and the judicial branch and the Division of Criminal Justice with respect to their administrative functions.

-Certain other entities based on the following criteria: (1) whether the entity performs a governmental function; (2) the level of government funding; (3) the extent of government involvement or regulation; and (4) whether the entity was created by the government.

PUBLIC MEETINGS

I. MEETINGS, INCLUDING HEARINGS AND OTHER PROCEEDINGS, MUST BE OPEN TO THE PUBLIC - EXCEPT IN LIMITED SITUATIONS.

A public meeting is any hearing or other proceeding of a public agency, or gathering of, or communication by or to a quorum of a multi-member agency, to discuss or act on any matter over which it has authority.

The following are not public meetings: meetings of certain personnel search committees; collective bargaining strategy and negotiating sessions; caucuses; chance or social gatherings not intended to relate to official business; administrative or staff meetings of a single-member agency (e.g., mayor); and communications limited to notice of agency meetings or their agendas.

No registration or other requirements may be imposed on a member of the public seeking attendance at a public meeting.

The public, as well as the news media, may photograph, record or broadcast meetings, subject to prior reasonable rules regarding non-interference with the conduct of the

meeting.

II. ONLY THREE KINDS OF MEETINGS ARE RECOGNIZED UNDER THE FREEDOM OF INFORMATION ACT: REGULAR, SPECIAL AND EMERGENCY.

A state agency must file each year a schedule of its regular meetings with the Secretary of the State. A town or city agency must file each year a schedule of its regular meetings with the clerk of the town or city. A multi-town district or agency must file each year a schedule of its regular meetings with the clerk of each municipal member of the district or agency. A special meeting may be called up to 24 hours (excluding weekends, holidays, and days on which the office of the Secretary of the State or municipal clerk, as the case may be, is closed) before the time set for the meeting. A special meeting is called by filing a notice stating the time, place and business to be transacted.

A state agency files this notice with the Secretary of the State; a local agency files this notice with the municipal clerk; a multi-town district or agency files this notice with the clerk of each municipal member of the district or agency.

An emergency meeting may be held without complying with the preceding notice requirements. However, the agency must file its minutes, including the reason for the emergency, within 72 hours (excluding weekends and holidays) of the meeting with the Secretary of the State if a state agency; or with the municipal clerk if a local agency; or with the clerk of each municipal member if a multi-town district or agency.

III. YOU ARE ENTITLED TO RECEIVE A COPY OF THE NOTICE AND AGENDA OF A MEETING.

An agency is required to send a notice of its meetings, where practicable at least 1 week prior to the meeting date, to any person who has made a written request. The agency may establish a reasonable charge for this service.

Each agency must make available its agenda for each regular meeting at least 24 hours before the meeting to which it refers. New business not on the agenda may be considered and acted on only on a 2/3 vote of the members of the agency.

IV. AGENCY MINUTES AND RECORD OF VOTES MUST BE AVAILABLE TO THE PUBLIC.

The minutes of each agency meeting must be made available to the public within 7 days of the session to which they refer in the agency's office if it has one; or, if none, in the office of the Secretary of the State for state agencies or in the municipal clerk's office for local agencies. In the case of special meetings, the 7-day period excludes weekends and holidays. The minutes must contain the record of each member's vote on any issue before the agency.

The votes of each member on any issue must be put in writing and made available to the public within 48 hours, excluding weekends and holidays, of the meeting at which the votes were taken.

The minutes of a meeting at which an executive session occurs must indicate all persons who were in attendance at

the closed session, except for job applicants who were interviewed.

EXECUTIVE SESSIONS

- I. AN AGENCY MAY CLOSE CERTAIN PORTIONS OF ITS MEETINGS BY A VOTE OF 2/3 OF THE MEMBERS PRESENT AND VOTING. THIS VOTE MUST BE CONDUCTED AT A PUBLIC SESSION.

Meetings to discuss the following matters may be closed: specific employees (unless the employee concerned requests that the discussions be open to the public); strategy and negotiations regarding pending claims and litigation; security matters; real estate acquisition (if openness might increase price); or any matter that would result in the disclosure of a public record exempted from the disclosure requirements for public records.

Any business or discussion in a closed session must be limited to the above areas.

The agency may invite persons to present testimony or opinion in the executive session, but their attendance must be limited to only the time necessary for that testimony or opinion.

PUBLIC RECORDS

- I. MOST RECORDS OR FILES OF STATE AND LOCAL AGENCIES, INCLUDING MINUTES OF ALL THEIR MEETINGS, ARE AVAILABLE TO THE PUBLIC FOR INSPECTION OR COPYING.

This includes

- Information or data, which is typed, handwritten, tape recorded, printed, photographed or computer-stored.
- Most inter-agency and intra-agency memoranda or letters.

II. RECORDS SPECIFICALLY EXEMPTED FROM DISCLOSURE BY FEDERAL LAW OR STATE STATUTE ARE NOT AVAILABLE TO THE PUBLIC.

In addition, the following records may not be available to the public: some preliminary drafts or notes; personnel or medical files; certain law enforcement records, including arrest records of juveniles and some witness and victim identification information; records relating to pending claims and litigation; trade secrets and certain commercial or financial information; test questions used to administer licensing, employment or academic examinations; real estate appraisals and construction contracts until all of the property has been acquired; personal financial data required by a licensing agency; records relating to collective bargaining; tax returns and communications privileged by the attorney-client relationship; names and addresses of public school students; information obtained by illegal means; certain investigation records of reported misconduct in state government or names of state employees who report such misconduct to the state Attorney General or Auditors; certain adoption records; election, primary, referenda and town meeting petition pages, until certified; certain health authority complaints and records; certain educational records; certain records, when there are reasonable grounds to believe disclosure may result in a safety risk; and certain records, if disclosure would compromise the security or integrity of an information technology system. Also, records of personnel search committees need not be disclosed if they would identify

executive level employment candidates without their consent.

III. YOU MAY INSPECT PUBLIC RECORDS DURING REGULAR OFFICE HOURS, BUT COPIES, PRINT- OUTS OR TRANSCRIPTS SHOULD BE REQUESTED IN WRITING.

The fee for a copy of a public record from a state agency must not exceed 25¢ per page. The fee for a copy of a public record from a non-state agency must not exceed 50¢ per page. The fee for a computer disk, tape, printout or for a transcript, or a copy thereof, must not exceed the actual cost to the agency involved. The agency may also require the prepayment of these fees if their estimated cost is \$10.00 or more. No sales tax may be imposed for copies of the public records requested under this Act.

The agency is required to waive any fee for copies if the person requesting the copies is poor and cannot afford it; or if the agency determines that the request benefits the public welfare.

There is an additional charge for a certified copy of a public record.

You are entitled to prompt access to inspect or copy public records. If an agency fails to respond to a request within four business days, such failure can be treated as a denial of the request.

THE FREEDOM OF INFORMATION COMMISSION

I. YOU MAY APPEAL THE DENIAL OF ANY RIGHT CONFERRED BY THIS ACT TO THE FREEDOM OF INFORMATION COMMISSION.

You do not have to hire a lawyer to appeal to the Commission.

You must, however, appeal to the Commission within 30 days of the denial of any right conferred by this Act.

II. IF YOU HAVE ANY QUESTIONS CONCERNING YOUR RIGHTS UNDER THE FREEDOM OF INFORMATION ACT, INCLUDING HOW TO APPEAL, CONTACT:

Sandy Hook Elementary shooting: What happened? -
CNN ...

Sandy Hook shooting: What happened?

Twenty-six people -- 20 students and six adults -- were shot and killed at the Sandy Hook Elementary School in Newtown, Connecticut on December 14. Details continue to emerge about what precisely happened.

Earlier this year, the school principal, Dawn Lafferty Hochsprung, ordered a new security system installed that required visitors to be visibly identified and buzzed in. As part of the security system, the school locked its doors each day at 9:30 a.m.

The door was locked when the gunman arrived.

Who locked the doors on Dec 14, 2012?

It was not the Custodian by his own sworn police statements

HERE IS MY FIRST CT FOIA REQUEST REGARDING THE NEW SECURITY SYSTEM INSTALLED BY THE SCHOOL PRINCIPAL DAWN HOCHSPRUNG.

SIMPLE QUESTION NUMBER ONE

In accordance with the Connecticut Freedom of Information Act, Conn. Gen. Stat §§ 1-200, et seq., request is hereby made for production of materials relating to the following matters:

1. Sandy Hook Elementary School Security System
 - a. The name and address of the contractor who installed the security

System in operation at the Sandy Hook Elementary School on December 14, 2012;

b. The total cost of installation of the security system in operation at The Sandy Hook Elementary School on December 14, 2012;

c. A breakdown of the costs of the security system in operation at the Sandy Hook Elementary School on December 14, 2012 as follows:

Page 2

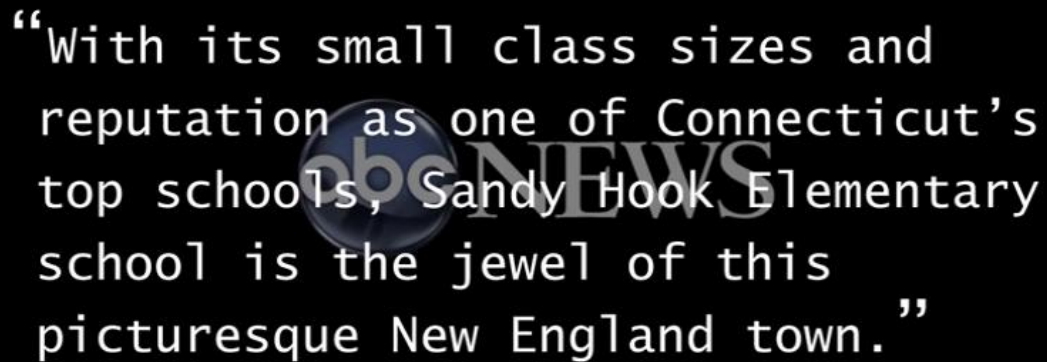

1. Total labor cost;
2. Cost and description of each component part;
3. The identity of the entity which paid the cost of the Security system in operation at the Sandy Hook Elementary School on December 14, 2012;
4. Copy of the contract for installation of the security System in operation at the Sandy Hook Elementary School on December 14, 2012.

It has now been 17 months and NO complete response to Principal Dawn Hochsprung new Security System being installed.

Why?

SIMPLE QUESTION NUMBER TWO

When we are told by National News organizations that the Sandy Hook Elementary School is a Vanguard school and that people from all over moved to Sandy Hook just to enroll their child in that school questions need to be asked so here we go:

“With its small class sizes and reputation as one of Connecticut’s top schools, Sandy Hook Elementary school is the jewel of this picturesque New England town.”

NEWTOWN SCHOOL BOARD POLICY ON SCHOOL INSPECTIONS

**READ BELOW THE NEWTOWN SCHOOL BOARD POLICY ON FACILITY
INSPECTIONS**

Inspection Procedures

A full and complete inspection of each school building, its grounds, and its facilities will be conducted by the building administrator and the Supervisor of Buildings and Grounds for safety, cleanliness, and general maintenance by August 1. Appropriate items identified in this annual review will be included in the Board of Education Five-Year Capital Improvement Plan or next operating budget.

Additional informal building inspections will be conducted routinely during the school year, and when warranted, written requests for repairs will be prepared by the building administrator and head custodian to be filed with the Supervisor of Buildings and Grounds. Copies of these inspections will be submitted to the Superintendent of Schools and the Director of Business.

The Supervisor of Buildings and Grounds will meet periodically with the Director of Business to discuss relevant building maintenance matters.

An annual report will be prepared by the Supervisor of Buildings and Grounds and the Director of Business to be incorporated into the annual report by the Superintendent to the Board of Education.

Adopted 5/8/73

Updated 11/23/76, 12/12/78, 6/13/89, 10/10/95]

Under the **Connecticut Freedom of Information Act § 1-200 et seq.**, I am requesting an opportunity to inspect and obtain copies of public records that will show:

1. Copies of all maintenance work orders submitted by the School Principal Dawn Hochsprung or her designee to the school district maintenance department (facilities) for any repairs, new classroom doors or painting starting March 1, 2012, through Dec 13, 2012 and copies signed by principal or designee showing date of completion of the repairs with appropriate time stamps when job is completed.

2. Copies of all e-mails to and from the School Principal Dawn Hochsprung and her assistant school principal to the following school district departments:

- a. human resources
- b. finance department
- c. maintenance department
- d. staff development
- e. assistant school superintendent
- d. school superintendent
- e. food services provider
- f. school district transportation provider
- g. curriculum department

This will allow all of us to see the daily operations of a Vanguard School (Sandy Hook Elementary School) as to how they communicate and fix problems that may arise and how they are solved.

Simple request that are requested everyday by the public when using the Freedom of Information Act.

Thanks

wolfgang

NEWTOWN BEE CONFIRMS MY STATEMENT

Widespread Haz-Mat Presence Would Have Hampered Sandy Hook Renovations

By John Voket

Monday, December 2, 2013

Photo: Courtesy Reuters

The Sandy Hook School demolition site was nearly clear by the time this aerial photo was taken on November 13. Local officials have since indicated

that the extensive degree of hazardous materials on the site would have prevented or significantly hampered efforts to reoccupy the building, which was the site of the 12/14 tragedy. Construction of a new school on the site was approved by voters in October, and will commence in the coming months.

Long before the first environmental contractors started reporting higher than expected levels of lead, asbestos, and PCBs in construction debris at Sandy Hook School, a panel of town officials and residents in a subsequent referendum had already endorsed razing and replacing the aging elementary school building.

According to Public Building & Site Commission Chairman Robert Mitchell, the town and its residents made the right choice. Mr. Mitchell said in a facility update he plans to deliver to his commissioners on December 3, that had the town decided to reoccupy the school on Dickinson Drive, it would have faced a daunting and possibly insurmountable challenge regarding the presence of hazardous materials.

The report states that during a review of materials found throughout the school, one assessment “indicated that should we have determined to keep and renovate the school, it would not have been possible to keep the original building in any cost-effective manner.”

Mr. Mitchell told *The Newtown Bee* that the expense for identifying, removing and processing the heightened amount of materials found during demolition required nearly double what was originally budgeted for that aspect of the project. Much of the information in the PBSC report has already been advanced to town officials by First Selectman Pat Llodra, who noted the hazmat issues during recent Legislative Council, Board of Finance, and Board of Selectmen meetings.

In accordance with the Connecticut Freedom of Information Act, Conn. Gen. Stat §§ 1-200, et seq., request is hereby made for production of materials relating to the following matters:

C/O School Board Chairman
3 Primrose Street

Dear School Superintendent and Chairman of the School Board:

Under the Connecticut Freedom of Information Act § 1-200 et seq., I am requesting an opportunity to inspect and obtain copies of public records that will show:

1. Provide copies of the Tri-Annual Asbestos Inspections conducted by a Certified Asbestos Inspector beginning in the school years 2002 through 2012 for the Sandy Hook Elementary School only.
2. Please provide the name and contact numbers of the Certified Asbestos Inspector for all those years 2002-2012.
3. Please provide copies of letters to parents and school staff notifying them of all of the Hazardous materials inside the Sandy Hook Elementary School from 2009 through 2012.
4. Please provide a copy of the Sandy Hook Hazardous Chemical report citing high levels of lead paint, high levels of Asbestos and PCB inside the Sandy Hook Elementary School that you provide the City Council members.
5. This should be the report that caused the Sandy Hook

Elementary School to be completely demolished by a Certified Asbestos removing company.

6. Who transported the Hazardous waste and who received it?

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$200.00.

The Connecticut Freedom of Information Act requires a response within four business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Recognize all efforts are being expeditiously made to complete this investigation thoroughly and your prompt response is a critical component to its completion.

Thank you
Sincerely,

Chairman of the School Board and Kathy June;

I am requesting under the CT FOIA laws the following and I am submitting them as an individual not through my attorney.

I have run out of money and have enough to pay for the processing of this request.

1. Provide all copies of maintenance work orders for Sandy Hook Elementary School submitted by the school principal Dawn Hochsprung, assistant school principal and or Head Custodian starting July 1, 2011 through June 30, 2012.
2. Provide copies of all maintenance work orders for Sandy Hook Elementary School signed by the school principal, assistant school principal or head custodian showing that the work was completed date and time.
3. Provide copies of all e-mails from the school principal Dawn Hochsprung, her assistant school principal to the school district offices such as Human Resources, Finance, Staff Development, Food Services, Transportation, Security, Curriculum Department and between the school superintendent and assistant school superintendent from July 1, 2011 through June 30, 2012.

You are already in the process of locating the data for the Mar 1, 2012 through Dec 13, 2012 so this should actually be a simple request.

Thus is an urgent request for the Ct Freedom of Information Commission when we meet.

I should have requested sooner but with you ignoring all of my Ct FOIA requests now makes me wonder as to how this school could even be operating with all of the serious Toxic Waste Issues within that school.

I will pay for all costs associated with processing this request in a timely manner
Attachment is for your viewing

Thanks

Sandy Hook Chorus To Sing At Super Bowl With Jennifer Hudson

January 31, 2013|By MATTHEW STURDEVANT, msturdevant@courant.com, The Hartford Courant

The size of the audience is almost impossible for a young child, or anyone, to imagine — more than 111 million Americans watched the Super Bowl last year.

When a similar number of viewers tune in this Sunday on CBS, 26 members of the Sandy Hook Elementary School chorus will start the big game by singing "America the Beautiful."
