

Recipe

Paideia Seminar

Ingredients:

- ◇ Text, video segment, audio clip or other resource.
- ◇ Support staff
- ◇ [Seminar Process Tools](#)
- ◇ Separate locations for each group.

1. TL collaboratively selects resources to support seminar theme.
2. Teacher and TL create open-ended questions
3. Students analyze resource(s), selecting sentences, phrases and words for discussion.
4. Set up groups. Collaborate with support staff to create separate settings for each group.
5. Make participant copies of the Reflection Tool and a copy of the Seminar Process Script for each group facilitator.
6. Each student selects communication goals from listed suggestions.
7. Participants have informal dialogue stemming from open-ended questions and reflect on goals.
