

EUR DEV BUSINESS DEVELOPMENT

EuroDev is a dynamic company that operates in an international environment and has offices in the Netherlands and France. Since it was established in 1996, EuroDev has helped more than 150 North American companies expand into the European market. Our unique, full-service model includes sales development, human resources management, business administration, and facilitating mergers and acquisitions. For our Mergers & Acquisitions unit we are currently offering a:

Mergers and Acquisitions (M&A) Analyst -Work Experience Internship- September 2015

The Mergers & Acquisitions department of EuroDev provides high quality buy-side and sell-side advisory services to companies and Private Equity Groups, managing deals with transaction values of € 5 million- € 50 million. We intermediate between mainly US and European based companies in various market sectors.

During this challenging internship you see various components in the M&A field. Not a day is the same and every project has its unique aspects. You will support our M&A team with research activities like identifying and researching potential buyers or sellers in different markets and countries, assist in preparing presentations and basic financial analyses.

Your profile:

We don't expect from you that you know it all, but we expect that you are willing to learn it. Requirements for this positions are:

- Interest and affinity with M&A
- bachelor or master student or a recent graduate that is willing to do a work experience internship
- Good command of the English language, others are a plus
- Good analytical skills
- Commercial and result driven

Our offer:

We offer you the opportunity to gain practical M&A experience in an ambitious and fast growing company. The internship is offered in our Dutch office (Almelo, Overijssel). Duration will be min. 5 months, starting in September. You will receive a reimbursement for the internship.

Are you interested in this internship? Please send your application with CV to Ms. Marloes Nijland – hr@eurodev.com.
