HELP US SAVE OUR HOMES

PROTEST MAY 6

**NGA OFFICES:
3200 SOUTH 2ND STREET, ST. LOUIS**

10:30 AM

The National Geospatial Intelligence Agency is looking for a new home. It is currently considering three sites in Missouri.

One of these sites is our neighborhood of 47 much-loved homes housing generations of families on the north side of St. Louis.

**OUR HOMES ARE NOT FOR SALE—BUT IF THE
NGA CHOOSES OUR NEIGHBORHOOD, THE CITY
OF ST. LOUIS WILL USE EMINENT DOMAIN TO
SEIZE OUR HOMES.**

The NGA is currently considering two other sites in Missouri—NEITHER of which would require the condemnation of homes.

We need your help. Help save our homes. Please join us and help us tell the NGA to take the North Side off the list of locations it is considering.
