

## **Verragio Engagement Rings, for you and your loved ones.**

Verragio, the premiere jewelry company of Chicago, has inscribed its name throughout the world for its premium quality and breathtaking designs. The intricate craftsmanship and exquisitely detailed designs have won the hearts of millions over the 20 years they've been in business. They have designs to suit all personalities- whether you prefer the modern trends or the classic grace of traditional designs. It is the one stop shop for any jewelry lover! You can get the best collection of engagement rings, wedding bands, earrings, necklaces and many more.

### Highlights:

- ❖ Verragio is the world's first jewelry company to introduce the luminous setting of diamonds. This proved to be a revolutionary setting technique in the world of jewelry design. This particular technique allows the diamonds to reflect light from all sides and brings out the actual dazzling and lustrous beauty of diamonds.
- ❖ Verragio only uses diamonds with grades of F-G in color and VS clarity for all of their products.

Verragio Engagement rings: Dedicated to perfection, Verragio provides you with the best designs without any doubt. Being a well known company, it gives you the best finished products with premium quality, while also offering products in a variety of price ranges to suit your budget. The diamonds adorning their rings have proper cuts and a smooth finish. You can choose a variety of shapes for the center diamond in their selection of [Verragio engagement rings](#), such as round, oval, princess, emerald, asscher, pear, marquise, radiant, heart and cushion. Since the diamonds are the highlights of the ring, you should choose a shape that compliments your hand and suits your personal taste. Hence, the Verragio jewelry company brings you a wide variety, so you can find the perfect engagement ring for you.

Collection of rings: Along with shapes, Verragio brings you the 6 different exclusive variations in its collection of Verragio engagement rings. They are:

Couture Collection: this collection features diamonds delicately adorn dual-tone (white & rose) gold rings.

Insignia Collection: this collection features delicate swirls and ornamental scrolls to make breathtakingly intricate rings.

Men's Collection: this collection has the best rings that go perfect with men's persona and attitude.

Paradiso Collection: this collection features classic designs that accentuate the brilliance of the center diamond.

Parisian Collection: this collection features designs as elegant and ornate as the city of Paris.

Venetian Collection: this collection showcases you exceptionally delicate and elegant designs.

Warning: Verragio designs have been replicated by other companies and attempt to entrap consumers by falsifying information. The Verragio Company has its name inscribed in all its products as a proof of originality. Ensure you are buying an authentic Verragio product before purchasing.
