## Noble Phantasm The Hanging Gardens of Babylon

Damage (if Active)	Mana Cost	Flavors
	2	Fated

This NP is a Reality Marble that transports the combatants to the fabled hanging gardens of Babylon. The gardens live up to their name, as melee strikes from the Servant cause the target to become strangled by a noose that reaches down from the many gallows that populate the garden (this uses the Entangle trait).

### Traits

Combat	Interaction	Exploration
Rage Bloodlust Bulwark Entangle	Telepathy Not Getting Paid Enough Noble Savage	Unstoppable Force Unstoppable Force (2 uses) Blood on the Wind
